

Soldiers Blitz Duck Crew

Locals Finally Lose To Ex-Pros 4 to 3

By FRED TREADGOLD

Oregon's power-crammed Ducks finally met their match after chalking up six straight wins, but it took a star-sprinkled gang of Camp Adair Timberwolves to turn the trick yesterday by a 4 to 3 count in a game that was played "just for fun," having no bearing on the conference standings. With Howe field and the auxiliary sawdust diamonds both muddy morasses, the tilt was shifted to the grassy, outer reaches of Howe field.

Beau Bell Hits

It was no disgrace to drop the one-run decision to the touted Soldier-boys who are claimed to rate with the best of coast service teams. They were paced by a couple of ex-pro big shots, Beau Bell, former St. Louis Brownie slugging star, and a clouting, ruthless hitter, Connor, one-time Akron, Ohio, ace, and an unknown, one Mr. Armstrong.

This swatting trio accumulated seven of the 10 soldier blows, while Don Kirsch, Johnny Bubalo, and Bill "Pop" Hamel tried their darndest to offset this with six blows of their own.

But the Timber Wolves were able to hop on some of Hobby's second-line flingers and push over the needed scores.

The Ducks almost caught up with the Wolfmen with a stupendous three-run rally in the fifth but were unable to keep the scoring ball rolling and had to be content to come out second best—something that has been a rarity this season.

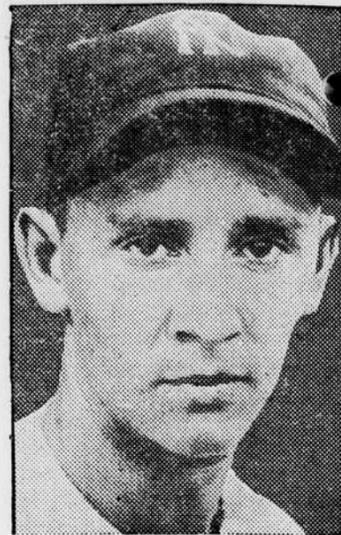

The Camp Adair outfit grabbed off a single score in the opening panel on Frye's biff to center which went for two bases. Frye made the circuit thanks to bobbles by the usually reliable Bubalo and Roy Carlson.

In the fourth round this slugging Connor boy larruped a prodigious home run to deep center-field with the sacks bereft of his mates to set the score at 2-0, visitors on the happy end.

Back stormed Hobson's hecklers with a three-blow salvo which snoved across the only Oregon runs. With one away, Hamel pumped a double to left, and took third when Dick Burns reached first on a fielder's choice.

Kirsch Hits Triple

That slugging little mite, Donnie Kirsch, then put his mallet to the ball and sent a lengthy triple to left center, as Hamel and Burns

Wren, Puziss Hurl Air Tight Tilts in Intramural Action

By BILL DYER

Delta Upsilon and Sigma Alpha Mu abandoned their personal feud and took up with other clubs and both came out victorious. The DUs slapped down Sigma Chi 7 to 1 and SAM walloped the Chi Psi crew 11 to 0.

In the four other contests of the day, ATO easily overpowered Canard club 7 to 1, Theta Chi and Alpha-Sigma hall had a slugging bee with Theta Chi coming out on top, 10 to 6, SAE downed Campbell club, 8 to 2 and Sigma Nu continued to win, trampling Sherry Ross by an overwhelming 13 to 3 score.

When Wins Again

Both the Delta Upsilon and SAM triumphs were the results of brilliant pitching performances. Bob Wren again turned in an outstanding hurling job as he limited Sigma Chi to one hit and one run. For three innings Wren chucked scoreless ball allowing but one hit, a single to Jack Leonard, Damschen, Maynard, and Bradshaw all turned in fine games for the losers.

"Babe" Puziss of SAM was the hurling hero of the SAM win following Wren in turning in a one-hit performance but also gave up no runs. He struck out 8 Chi

trotted into the scoring zone. Kirsch scored a minute later on an error by Third Baseman Jones.

A pair of visitor's singles set the stage for Slugger Beau Bell's "clutch" double to center for the deciding runs.

From there on out every Oregon rally attempt went "flooy!"

Lt. Jack Knott, ex-Philadelphia chucker, who some 200 fans turned out to see, wasn't needed so confined his activities to intermittent warming up on the sidelines.

Psis and was never threatened. His mates jumped on Fenton for 11 runs in the five frames. Buchwach, with a homer and Reingold with a triple led the winners' attack.

Lomax, Gunn, Howard and Mills put up a desperate but futile attempt to stem the SAM attack but Puziss was too much for them.

Sigma Nu Triumphs

Sigma Nu continued to rack up wins as they went hit crazy to swamp Sherry Ross. The defending champs have won all their games but an opening round tilt to Alpha-Sigma hall. Yesterday they had their batting eyes sharpened and the whole squad belted the pellet with fervor. Skillicorn, Williamson, Mickey, and Ed Dick with two runs apiece led the attack. Dodson, Mickey and aw got to Rog Dick in the fourth frame for their only scores.

DeKeater was the big gun in the SAE triumph over Campbell. He walloped the oval for three hits and three runs to give Evers, SAE hurler, fine support. Evers, besides pitching a tight game, counted enough runs to have won his own contest. He had a perfect day at the plate with 4 for 4 and scored three runs. The winners got 7 of their runs in the last three innings. For Campbell,

Ghormley, Burch, Hoffmaster, and Marlowe got to Evers for 2 runs and a half a dozen hits.

Theta Chi Posts Victory

Behind a barrage of bingles Davis of Theta Chi squeaked out a win over Alpha-Sigma hall, 10 to 6. Both clubs hit the ball hard and often but Theta Chi was the more consistent. They had a field day in the first frame and scored 7 runs which proved to be the winning margin. After that Fargher of A-s chucked steady ball. For the winners, Baufman, Potts, Emmons, and Childs wielded big sticks; while Rodgers, Farghar, Paris, Hagar and Skorney smacked the pellet often for Alpha-Sigma.

Behind the steady hurling of Crocker, ATO had an easy time with Canard, winning out, 7 to 1. ATO started to work early and scored all their runs in the first three frames. Sell, Bosch, Chick, and Allan pounded out timely blows for the winners while Backstrom, who got the only score, Seett and Merrick were the guiding lights for Canard.
