

# Curtain Falls on Social Life for Spring Term

By LOIS HULSER, Society Editor

Dear Diary: The last social weekend of what may be the last social year for several to come, presents an array of dances from the simple to the superb—an informal tennis dance to the elaborate occasion of Mortar Board.

Girls will cool their heels at fraternity houses Friday evening when they call for their Mortar Board dates. After the usual unavoidable delay the two-

some will finally join the waiting group (but, so sorry, he's late, of course) for an evening with all the trimmings. Art Holman is playing for the occasion and Kwama pledges will be tapped once lightly on the shoulder, giving 19 freshmen the thrill of the year.

Don't plan to play tennis Saturday afternoon for the courts are booked for an all-campus dance. The Circus theme will be carried out with the caged courts as a perfect setting. If it's raining, (remote possibility) we'll see you in Gerlinger.

The last exchange list includes Sigma Alpha Mu-Alpha Delta Pi; Phi Kappa Psi-Alpha Omicron Pi; Theta Chi-Alpha Phi; Sigma Alpha Epsilon-Chi Omega; Sigma Nu-Gamma Phi Beta; Sherry Ross hall-Highland house; Phi Delta Theta-Kappa Alpha Theta; Pi Beta Phi-Alpha Tau Omega; Kirkwood co-op-Sigma Kappa; Kappa Sigma-Susan Campbell; Alpha Chi Omega-Sigma Phi Epsilon; Delta Upsilon-Kappa Kappa Gamma, and Sigma Chi preference. Delta Gamma entertained faculty at the desert Wednesday.

Well, Diary, it seems this is the last of the four years' series of weekly squibs of what's cookin' on the old back burner for the comin' weekend. I'll miss you.

## AWS Notes

Highlighting activities of the week for AWS followers, the "one and only" Mortar Board ball to begin at 9 p.m. Friday in McArthur court, includes several features of interest to coeds.

Besides the squiring of males—who will more or less turn feminine for the evening, regarding their conduct—perhaps taking their dates to dinner as well as presenting them with flavorful vegetable corsages, campus women will witness tapping of new Kwamas, sophomore women's honorary, from among the freshman ranks.

Guests of honor at the ball are the 10 happy Mortar Board pledges. Their initiation will be held Sunday at 6 p.m. at the home of Mrs. Donald M. Erb, according to Mary Louise Vincent, president of Mortar Board. Supper will also be served.

Members of Phi Theta Upsilon are holding their annual initiation for their 29 new members at the Alpha Chi Omega house tonight at 8 p.m.

Activities of present Kwamas, who will be "has beens" after the Mortar Board ball, includes a get-together on top of Skinner's butte Saturday, May 8, from 11 a.m. until 3. They will meet at the Side at 11, dressed in jeans and will furnish their own lunch.

## Marine Teeny Smith Promoted to Captain

Warren (Teeny) E. Smith has been promoted from first lieutenant to captain in the marine corps, according to information reaching his father, Dr. Warren D. Smith, head of the department of geology and geography on the campus.

Captain Smith related that he and other American marines have been initiating the South Sea islanders into the old American game of baseball. He is stationed "somewhere in the South Pacific." Teams have been gotten up and games played, he says.
