

# IF A BUDDY MEET A BUDDY-

By GLORIA MALLOY

Well, from all reports this next week should mark the return of the ROTCs. The date or hour is still indefinite but it's a sure thing we'll all be glad to see them back. Just think, girls, that will make just forty-five more chances for you to have a date this term.

The marines at USC are beginning to get their furloughs now. ATO Tom Oxman pulled in yesterday much to the delight of Marge Cordon, Pi Beta Phi. Marine Jim Benningfield woke up the DeeGees bright and early Sunday morning to give them his regards before directing himself over to the Kappa house to see Lois Twining.

### Sit, Gentlemen

Officers' training is no cinch! At least that is what we gather from communications received by us. Officers' Candidate Clinton Paine comments on the whole situation, "Don't get me wrong, they're pretty darn nice to us. Why, they let us sit down all of three times a day—breakfast, lunch, and dinner!"

Our boys are going places! Phi Delt Tippi Dyer of those marines has been promoted to platoon sergeant, and frat brother Don Bridenstine is really showing. He is a cadet lieutenant in the Leathernecks.

Those navy V-12's back at Parkville, Missouri, have gotten right into the swing of things. Ex-columnist Fred Beckwith's "talents" have been recognized, and he is now writing a column for the Parkville paper. ATO Don Lonis is doing something in the journalistic form also. What I've been trying to figure out is what is the significance to the nickname they have placed on ATO Bill Wood. They now call him "Beachcomber" Wood!

### Wounded

Chi Psi Tom Houston and Len Barde, junior ROTCs, are still back at Fort McClellan recuperating from gunshot wounds received during target practice.

Dee Gee Betty Sturgeon is now well on her way to see Jim Gowans, Chi Psi, who is in pre-engineering training at the University of Michigan.

Sigma Nus Bill George and Bud Houston are back at Parkville, Missouri, and their motto is, "There's no place like home."

### They Get Around

It seems they had a big interfraternity informal dance down at UCLA and invited all the Navy V-12ers to attend. Their school newspaper, the "Claw" says, "Sprague Carter and his Oregon boys were there 100 per cent." Our boys get around no matter where they are.

## Ex-Ducks Win Mention In Army Publication

The Benning Bayonet, Fort Benning paper, recently carried news of two former Oregon students, Warren Finke and Brad Ecklund.

Finke is 50-meter backstroke champ of Fort Benning, Georgia. He attended the University last year.

Ecklund will play with one of the Fort Benning football teams. He left school in 1940.

## Alums Returning From Jap Camp

Returning to the United States on the Teia Maru are Mr. and Mrs. Berry Eastham, both University of Oregon alumni, who were interned in Shanghai by the Japanese since the outbreak of the war.

They have spent the last 35 years in China, Eastham having been a lawyer for the States Steamship company in Tientsin. Their home while in the states was in Portland, but their return now is the first in many years.

The Teia Maru is returning 1326 American citizens in exchange for an equal number of Japanese nationals. The exchange is being made in Mormugao, Portuguese India.

## Campbell Needs Ten More Men

Prospects for Campbell co-op, the only men's cooperative functioning on the campus this term, look considerably brighter than at first, Dr. S. H. Jameson, faculty adviser to the co-op board, declares.

"With the addition of three more boys to our membership, we have at least attained a secure financial foothold. We now have a total of 15 members, but we would like to obtain more, as the house will hold 25. If any men are having housing difficulties, they should see me in my office in the Oregon building."

Men of Campbell recently elected Vernon Kisaberth, former Kirkwood man, house president.

## Book Collection Donated to Libe

A collection of more than 1,000 books and articles, the professional library of Dr. P. A. Parsons, was received by the University library as a gift from Mrs. Parsons and her daughters, Katrine Waggoner Parsons and Mrs. Norman C. Williams, it was announced recently by Willis C. Warren, acting librarian.

Dr. Parsons was a sociology professor on the campus from 1920 until his death. He came from Syracuse university where he served as head of the sociology department. While on the campus he directed the annual commonwealth conferences, and was a member of the Oregon estate planning board. In the latter capacity he collected a number of items which were included in the articles given the library.

## Extension Head Names Stevens

In a recent announcement by Dr. V. V. Caldwell, dean of the general extension division of the state system of higher education, Dr. H. E. Stevens was reported as being named administrative assistant in the general extension division.

Dr. Stevens, who received his doctor of education degree from the University in 1940, has the rank of associate professor in education. He has taught summer school sessions in Eugene and Portland in the years from 1940 to 1943. From 1940 to 1942 he was assistant professor of education at the University of Alaska, Fairbanks.

The new extension assistant has been with the Portland center since February as an instructor in education and psychology. During the month of September he and W. G. Beattie, assistant director of the general extension division, traveled throughout the state visiting schools.

Lawrence College is the only member of the Midwest conference with a football team this year. Reason: Lawrence is the only school in the conference with a naval training unit eligible to play.

## Theater Devotees To Meet; Pick Play

All students interested in the campus theater group are invited to the second meeting of the year Thursday evening at 7:30 in Guild hall. The advisory board will present plans drawn up at their meeting, and the first play will probably be chosen.

**New under-arm Cream Deodorant safely Stops Perspiration**

1. Does not rot dresses or men's shirts. Does not irritate skin.
2. No waiting to dry. Can be used right after shaving.
