The renovation some of the houses have undergone seemed to have shocked most of the members of those houses. According to Oge Young, he didn't know anything about it until he walked up to his house door and saw the small bronze plate with Casablanca lodge lettered on it. "I didn't know what to say when a girl popped out the door and asked me what I wanted. Me! At my own house!"

# ROTC Lettermen Join ASTU Squad

By LOREN SHANK

Last Saturday the ROTC men returned to the campus, bringing with them three lettermen from last year's football team. They arrived just in time to help out the ASTU squad who lost a few players because of six weeks grades which put them on the ineligibility list. Two guards, Howard and Henry Speers, reported to practice last night along with Merritt Kufferman, a two-year letterman, who plays tackle position. Warren Christenson, who will be out for the end position, played basketball for the team here last year. He never played football for Oregon but was on the all-state team while playing end for Tillamook.

## Team Shows

Howard Speers stated that he thought the team looked like a fine ball club in the scrimmage that was held last night. He also said he thought Bill Massey would probably report for practice in a day or so. Massey played fullback for McMinnville, Oregon. Bob Pinnick, who played the fullback position in the first game of the season, still is having trouble with his ankle, but thinks he will be able to play part time in the next game. If Massey reports for practice it will help solve Coach Warren's problems for this position.

The game for this weekend is still pending.

# Roosevelt Advocates Educational Program

President Roosevelt, in a special message to congress last week, recommended a \$1,000,000,000 post-war educational program to give a year's vocational or academic training to former members of the armed services.

A committee appointed by the president suggested that those taking advantage of the plan be given tuition and some living allowances. They also suggested that states have administrative control with the federal government providing the money. This would be available to all who serve a minimum period of perhaps six months in the armed forces.

# Frosh to See Puppets At Bungalow Tonight

Freshman girls are invited to attend a special fireside in the YWCA bungalow this evening from 6:45 to 7:30, according to Mrs. E. E. DeCou. The Girl Reserves, under Marie Morgan, will present their puppet show, "Snow White and the Seven Swarfs."

At the same time all campaign workers for the World Student Service fund will meet at the YMCA. Dorothy Rogers, chairman, Nancy Boles, treasurer, and Ann Graham, secretary, will accept funds and check reports. Carolyn Hines, adviser for the Episcopal youth and a member of the adult advisory board for WSSF, will speak to the group.

A YWCA cabinet meeting is scheduled for 4 p.m. It will be followed by a community service board meeting, headed by Alva Granquist.

# Weekend Produces Pill Palace Guests

Three newcomers were added to the infirmary list over the weekend. They are: Marilyn Johnson, Vivian Mattson, and Warren Miller, engineer. Those who remain from last week include: engineers, Robert Korach, William Mayther, Glenn Middlesworth, Charles Norris, Philip Peters, and Chester Rydell; and the feminine percentage, Marilyn Glenn, and Barbara Smythe.

**WAR BOND QUIZ**

Q. May I have a Bond reissued so as to include the name of a coowner?

A. Yes; if the Bond is registered in your name alone, and if an excess holding does not result. The reissued Bond will bear the same issue date as the original Bond.

Q. May a creditor obtain information as to a debtor's ownership of War Savings Bonds?

A. The Treasury gives no information about the holdings of any person in War Savings except to that person or to such persons as have clearly established a legal right to the information.

Q. What will the Government do with money I pay for my Bond?

A. Your money will be put to work at once to help the Nation's war program.

Q. When will I make my income-tax report on the increase in the value of a War Savings Bond?

A. You may do either. You may report the increase in value of a War Savings Bond on your income tax report each year that you hold the Bond, or, you may wait until you redeem the Bond and then include the increase (the amount received over and above the price you paid for the Bond) as income for that taxable year.

Remember—the longer you keep War Bonds, up to 10 years, the more valuable they become.
