

# Pi Phis-Hillcrest Tie In Volleyball Contest

Girls' volleyball hit a red-hot clip today as the Pi Phis and Hillcrest lodge fought a ding-dong, 29-29 tie, Hawthorne waxed Rebec, 43-33 in another see-saw battle, and Birch drubbed Hilyard house 37-20.

Snappiest action of the day was provided by the Pi Phi-Hillcrest tussle. Sparked by Marge Cordon, Anita Young, and Gloria Cloud, the Pi Phi aggregation pulled away to a commanding lead in the opening minutes. Hillcrest put on a stubborn, uphill fight, however, and tied the score a few moments before the end of the game. They were helped in the closing minutes by the repeated fouls called on the Pi Phis for holding.

Another sparkling fray took place when Hawthorne vanquished the game Rebec squad, 43-33. Although Hawthorne held the upper hand during the first part of the contest, and led 26-10 at the half, the Rebec girls suddenly came to life, closed the gap, and even went one point ahead only a few minutes before the end of the game. Heads-up play by Beverly Goetz, Evelyn Marshall, and Donna Cook, captain, finally pulled the struggle out of the fire.

In the third game of the day Birch lodge defeated a strong Hilyard team, 37-20. Although the game was never dull, Birch maintained a sizeable lead all the way, and never seemed to be in real danger. Betty French and Betty Strauss provided the winning spark.

## Hall Schedules Active Year

Activities in Gerlinger hall this year will include the regular number of teas and meetings although they will be somewhat affected by the war.

Mrs. Seifert, hostess of the building, reported that the soldiers are welcome to make use of its facilities. At present, the foreign area and language students practice the songs of the countries they are studying in one part of the building.

Yeomen and Orides have provided a radio for the soldiers to hear the Sunday symphony concerts at noon, and the swing band practices Wednesday and Sunday.

In addition Mrs. Seifert invites all soldiers to use Gerlinger as a hostess house for visits from their friends.

All meetings held in the building are to be scheduled in advance. In the past this has not been done and a great deal of confusion resulted.
