ARMISTICE DAY
Dedicated to
VICTORY

We who will not be scarred in battle have a glorious obligation to those for whose return we pray! We can, in part, fulfill that obligation this significant day—by reverently observing "Taps for the dead—FOR THE LIVING, WAR BONDS!"

There is none among us who can say, "I have fought enough." Just as no man in uniform can say "I have fought enough." To him the supreme sacrifice is reality: to us too, sacrifice must be supremely worthwhile—in the name of Victory!
