New House Libe Head Elected

Frances Raven, sophomore in political science, was elected president of the house librarian association yesterday afternoon at a meeting of the organization held in the browsing room of the library. Miss Raven will succeed Jan Settle.

Other new officers are: vice-president, Nancy Boles, junior in education; secretary, Jean Lawrence, freshman in journalism; and treasurer, Grace Hoyt, freshman in education.

The main purpose of the house librarian association is to foster the reading of good books in the houses of the campus and in the browsing room. Another project of the group is the Sunday record concert series held in the library. Miss Bernice Rise, head of circulation department and the browsing room, is the group adviser.

UO Group to Fete Weekend Visitors

The Westminster foundation is planning a special celebration for this weekend in honor of the visit of J. J. Ross, Portland, treasurer of the foundation, and Clarence Phillips, Portland, secretary. Highlight will be talks and discussions on the past and present of Westminster work in Oregon.

In announcing the program, Mrs. Bryant, director, invited all soldiers and civilians on the campus, especially those who come to Westminster regularly.

The program is as follows: Saturday—5 p.m., sing; 5:30, potluck; 6:45, music. officers' reports, talk by Mr. Ross on the history of Westminster in Oregon; discussion, "Westminster As I See It," with Lois Clause presiding; and 8-12:30, open house.

Sunday—9 a.m., rolls and coffee; 9:20, outdoor worship service (weather permitting); 9:45, talk by Mr. Phillips; 6 p.m., social tea; and 6:30, forum with Dr. A. Bernard Montgomery, pastor of the Central Presbyterian church, Portland, speaking on "The Christian Attitude Toward War."

BETTY COED AND JOE COLLEGE . . . Bob Smith and Joen Holstad were presented at the sophomore dance Saturday as typical students at the University.

Former Oregon Student Trains at Hunter College

Wave recruit Kathryn Frey, former Oregon student, will receive her indoctrination training at Hunter college, New York City. Apprentice Seaman Frey attended the University in the school year 1942-43 and fall term of 1943-44, majoring in journalism.

She was formally sworn into the Waves at the enlistment headquarters in Portland.

Dr. Landros Tells YWCA

(Continued from page one) police force and an international air force recruited by voluntary enlistment; fourth, the Permanent Court of International Justice of the League of Nations should be adopted to provide means for the settlement of disputes without war. Its scope should be widened to be effective, however.

Fifth, armaments should be reduced under the supervision of an armaments control commission; sixth, promote cooperation among nations to improve economic and social conditions; seventh, an international bill of rights should be organized to safeguard human rights; eighth, provision should be made for a system to take care non-self-governing peoples and eliminate the exploitation of these peoples;

Ninth, the three central political bodies should be a general international assembly open eventually to all nations; an executive council composed of nations bearing the greatest burden of peace planning, and a secretariat to study international assembly open eventually organizations may be set up to conform to the fundamental pur-

poses of the international organization, and last, the organization should lay its foundation upon the existing machinery of the League of Nations, making use of any serviceable ideas of the league.

Four Houses Go 100%

(Continued from page one) operation of other individuals and services as required or give immediate financial aid. It cares for the wives and children of servicemen in crowded army post towns where facilities are scarce, and continues aid after the men are shipped.

More than 6,000,000 points of blood plasma have been given for the army and navy through the Red Cross.

A total of 100,000 Red Cross volunteer nurses' aides are on duty in United States hospitals, caring for convalescing servicemen and civilians.

Red Cross hospital workers write to the families of wounded men at their request.

The Red Cross recruits army-navy nurses and supplies surgical dressings to meet the war's requirements.

Abroad the Red Cross remodels hotels into clubs which provide sleeping accommodations where men find a home atmosphere and relief from military life. There are special clubs for women in the armed forces and army rest homes staffed by Red Cross recreation workers.

Doughnuts and coffee are served by American girls from clubmobiles to soldiers at isolated army outposts overseas.

Over 152,000 messages from enemy-held lands to worried American relatives are handled through International Red Cross channels.

Former Prisoners Broadcast Sunday

The exchange ship Gripsholm and its repatriated passengers, will play host to "Double or Nothing" Friday evening when the first broadcast from an exchange ship is held. The program will be heard over KORE at 6:30 The Swedish ship has just returned from Europe where it picked up American soldiers who had been prisoners.

Red Cross Offers

(Continued from page one) Those who wish to take the course must hold a current senior life saving certificate that has been issued within the past three years. Completion of a 15-hour preliminary instructor course conducted by a local water safety instructor is desired but not absolutely necessary.

The course is open to both men and women who are properly qualified. Those who complete the course will be certified as Red Cross instructors in water safety methods.

Classes will meet from 7 to 10 p.m. Monday through Friday.
