### ADPi, Rebec-Hilyard Pitchers Duel in Best Games of Week

By BARBARA STEPHENS

At last the weather has cleared up so that six of the scheduled softball games could be played this week. With these games, we have gained a better idea as to who will be some of the most outstanding teams of the season. There is only a few weeks left for the scheduled games to be played, and the top teams in each league are racing towards the final game.

Decidedly the best game of the week was played Thursday night between ADPis and the Rebec-Hilyard combination. Three runs were scored during the whole game by the Rebec-Hilyard team and none by the ADPis. Two of the three runs were made in the second inning due to errors. The game consisted principally of a pitching duel between two top pitchers for each team. Phyllis Byers, pitching for Rebec-Hilyard, has a fast spin ball that put one batter after another out. The pitcher for the ADPis was Evelyn Stephens who put over a hard fast ball on the inside of the plate that was hard for any batter to connect with. Both of these excellent pitchers supported by equally good catchers, ADPi Jean Villair, and Melliss Schneider for Rebec-Hilyard.

This Rebec-Hilyard team has already won their league, and shows promise of being the winners of the whole tournament. They have won all of the games in their league by a good margin.

The laugh of the week was on Alder lodge who was discovered to be playing with 11 players in the field Tuesday in a game with the AOPis. During that game, AOPi Jean Carkin made a beautiful hit out to left field that kept the infielders busy trying to get a hold on the ball for some time.

The wettest game that has been played this season was between the Sigma Kappas and Gamma Phis during a downpour Wednesday afternoon. After standing out in the rain 5 minutes both teams looked like they had taken time out to go swimming in the millrace. The Sigma Kappas were led to their victory over the Gamma Phis by their pitcher-catcher combination of Jacie Bogan and Elizabeth House.

The Kappas lost their game to Highland house by a large score, but they did have one of the best first base players, Alysone Hales, that we have seen this term. A good batter for Highland house was Dorothy Dixon who hit two two-base hits for Highland house that brought in four of their runs.

## INSIDE WAA

By-laws, fun nights, freshman orientation, initiations, a WAA handbook, and intramural sports were a few of the subjects under discussion at the WAA council retreat last weekend. Journeying to McCredie springs, members of the council spent the weekend in planning WAA activities for next year.

A by-law committee chaired by Dorothy Dixon was appointed to draw up temporary by-laws to be submitted to the council. These are designed to clear up duties of the council, number of majors allowed on intramural teams, the point system, awards, and other WAA activities.

Definite plans were made to hold fun nights again next year and to have one initiation each term rather than just one for the whole year. Awards for the sports played during the term will also be made at that time. Plans were also made to hold a WAA carnival during winter term next year.

Work has begun on a handbook to be distributed to freshmen which will describe the various sports, club, and include the constitution and by-laws and which will be distributed to freshmen fall term next year. Mary Elizabeth Davis is in charge of arrangements for it. A news bulletin to be published twice a term was also decided upon.

### Ex-Duck Now Cadet; Soon to Get Wings

Aviation Cadet Albert A. Prestholdt, a student at the University in 1939-41, is a member of a class of student officers and aviation cadets to be graduated soon from the army air forces pilot school at Stockton field, California.

He will become a full-fledged pilot and will receive his silver wings.

Before entering the final and advanced course at Stockton field, Cadet Prestholdt completed 18 weeks of primary and basic training at Oxnard and Chico, California.
