

# Parents Urged To Cooperate

"We must make every effort to carry on all campus traditions so that, when those students who are absent from the University in the service of our country return, they will find the normalcy which they will so deeply need," stated Mrs. H. A. Busterud, president of the Oregon Mothers' association, in her message to parents of University students in the Oregon News for Oregon Mothers.

The annual trek to the campus of parents will take place this year during Mothers' Weekend and this is one of the traditions which Mrs. Busterud urges observance of, despite increasingly difficult transportation problems. Gloria Malloy, chairman of the committee, again emphasized the fact that many travel problems can be solved by taking advantage of the car pool idea. Parents in the Portland area who have extra room in their cars or who desire transportation to Eugene may 5, 6 and 7 should call Mrs. Perrie Dolph, MURDOCK 4890, 6213 N. Haight street. Parents arriving in Eugene by train will be met at the depot by the hospitality committee and given transportation to the campus.

It is suggested that students should write the above information to their parents and also emphasize a special invitation to the mothers and dads to arrive in time for the "Sing" to be given Friday night.

## Roseann Leckie New President of Kwama
