

Institute Seeks Stimulation of Inter-American Affairs

Promotion of Inter-American understanding and stimulation of individuals and groups to study and discuss Inter-American relationships—this is the first objective of the Institute of Inter-American Affairs, which will be observed in Eugene Wednesday, May 3.

The second objective is to indicate authentic sources of information regarding the cultures, the resources, the industries, and the social and political life of the other American countries. The third aim is to aid the people of Oregon, as far as possible, to broaden their knowledge of the nations and peoples, and common problems of the Americas.

Two meetings will be held on the campus as a part of a state-wide program under the auspices of the federal coordinator of inter-American affairs and the general extension division of the Oregon state system of higher education.

Dr. Hubert Herring, director of the committee on cultural relations with Latin America, Inc., will be the discussion leader. At the evening meeting at 7:30 in 207 Chapman hall he will speak on "Hemisphere Ties." Chairman will be A. L. Lomax, professor of business administration.

From 2 until 4 in the afternoon a forum meeting will be held in the same room in Chapman hall. Dr. Waldo Schumaker, professor of political science, is chairman of a panel consisting of Dr. Herring, Professor Lomax, Dr. Warren D. Smith, head of the department of geology, Dr. Anibal Vargas-Baron, assistant professor of romance languages, and Dr. Victor P. Morris.

Rallying Students

(Please turn to page four)

Signs which weighted freshmen down in the serpentine rally to Gerlinger paid dividends at the assembly. The winning sign, made by the Alpha Phis, depicted "Mother Goose Goes to War—" dropping eggs on Messrs. Hitler and Tojo. Another sign commented on the 12 o'clock permission recently set on the campus.

Excellent entertainment and lots of spirit was shown last night at the first all-campus rally, given to let the student body in on just how good Junior Weekend is going to be.

As one student put it, Anne Craven, co-chairman of Junior Weekend, to be exact, "They still know how to yell."
