Duets Featured At Piano Recital By NORRIS YATES

Performances by four hands instead of two provided a small but select audience with musical entertainment last night when students of the music school presented a two-piano recital at the music auditorium

Especially noteworthy was the rendition of Frankie Werst, freshman, of the "Allegro" from Mozart's Piano Concerto in D-minor, with George Hopkins, Eugene, at the second piano. Miss Werst showed considerable power and rhythmic balance, besides a marked flexibility and soundness of technique.

Also drawing comment were the performances of the combination of Miss Phyllis Taylor, senior, and Edna Fisher, sophomore, Salem. They played Ravel's "Bolero" and "Scaramouche" by Millhaud. In the Milhaud number they displayed consistent coordination and fair harmony of style, and in the "Bolero" a faithful exploitation of the California, will address University rhythmic possibilities and shrewd judgment in building up to the final climax.

Miss Maxine Cady, sophomore, played the "Andante" and "Allegro" from Gershwin's "Concerto in F," with Mr. Hopkins again providing the accompaniment. Miss Cady handled the solo part with energy, cool competence, and marked resonance.

Miss Janice Hough, sophomore, joined Miss Cady in the performing of Elmerco's "Incidente Tropicale." The two achieved smooth coordination and notably satisfactory blending of style in the presentation of this short but colorful work.

Miss Alice Buckingham, freshman, and Johnette King, freshman, were to have played Gershwin's "Variations on 'I Got Rhythm'", but owing to Miss Buckingham's vancement of Science, and the being taken ill, the number was cancelled.

On Thursday evening Ruth Baker, graduate student in music, will present a recital featuring the music of Bach, Brahms, Chopin, Mendelssohn, and three modern composers. Her program will begin at 8 p.m. at the music auditorium.

Movie Series Set To Begin Thursday

Released by the army and showing various aspects of military campaigns, a series of motion pictures is scheduled to be shown in president of the Oregon Sigma Xi 207 Chapman. The first picture of chapter in charge of the program, the group, "Prelude to War," will be presented Thursday night at 8, and will run for approximately one hour.

The showings are free to stu-

Flier Promoted To Rank of Major Captain Jack D. Blanchard, Uni-

versity alumnus, 1940 BA, Phi Delta Theta, was recently promoted to the rank of major, according to an announcement by Colonel Earl C. Robbins, commanding officer of Victorville army air field, Victorville, California.

Major Blanchard has been in military service since September, 1940, and is director of flying at the P-39 Transitional pilot school at the Victorville field. Prior to his arrival there, he was commanding officer of P-40 training at Luke Field, Arizona.

Dr. Spoehr To Speak At Scholastic Dinner

Dr. Herman A. Spoehr, chairman of the division of plant biology of the Carnegie Institution of Washington, and director of research in plant biology in Tucson, Arizona, Carmel, California, and Palo Alto, listeners following the annual Phi Beta Kappa-Sigma Xi initiation banquet this Thursday.

As honorary professor at Stanford Dr. Spoehr was formerly the assistant director of the Rockefeller foundation in New York and was sent by them on a two-year tour of the plant and agricultural institutions of Europe. He is a graduate of the University of Chicago, and received an honorary doctor of science degree from that university in 1929. He has studied in the University of Berlin under Emil Fischer, famous German chemist and in the University of Paris under the French chemist, Maquenne. Dr. Spoehr is a member of the American Philosophical Society national science honorary, the American Association for the Ad-American Chemical Society. His talk which will begin at 8:15 in Gerlinger hall, will center on the topic, "Some Responsibilities of Science" and is open to the public.

The Phi Beta Kappa initiation will be at 5 in the alumní room in Gerlinger, and the Sigma Xi initiation is at 5:30 in the men's lounge, Gerlinger. They are to be formal affairs. The two societies will meet | lon. She has been on the clinic staff together for the dinner at 6:15. Reservations for the dinner should be made before Thursday with either Dr. Pierre Van Rysselberghe, or J. M. McGee, professor of chemistry.

CAMPUS CALENDAR

Amphibians will meet today at 7:30 in the social room of Gerlinger. All members should bring their suits.

Tennis Court Shag Set for May 17

The tennis ball has started to roll and with it the plans for the Skull and Dagger-Kwama tennis court dance Wednesday, May 17 from 8 to 10:15 p.m. They promise two hours of fun on the SAE courts with music contributions by the best bands in the country-through the medium of records. The "Tennis Bounce," as the first outdoor dance of the year is called, will welcome everyone-dated or stag-with emphasis on informality and special invitations extended to the air corps and pre-meds.
