

Talk Given To Red Cross

The work of the Red Cross, one of the oldest service organizations in the country, reaches into all corners of the world. The history of the people who have helped to build up this vast organization and of the work it has done is filled with exciting episodes, according to Mrs. Cora Pirtle, executive secretary of Lane county Red Cross groups.

Mrs. Pirtle will speak on the history and aims of this program at an assembly today at 4 p.m. in alumni hall, Gerlinger. Other Red Cross officials will be introduced.

All Red Cross group chairmen and house representatives are expected to be present, and anyone else interested is welcome.

"It will be worth the time of anyone who can come, for Mrs. Pirtle is a very clever speaker," acknowledged Carol Wicke, chairman of Red Cross activities on the campus.

Laurel Lodge Girls Move Into Dorms

The girls of Laurel lodge, who were formerly living in the Sigma Phi Epsilon house, have been moved into the various dormitories on the campus, in order to help cut down the expenses of the dormitories.

They are now living in Hendricks, Susan Campbell, and John Straub halls. Since it was necessary to fill the vacancies in the different halls, the girls are no longer living in one group.

When the girls moved into Laurel lodge, at registration, it was a temporary arrangement because they did not have a cook and it was uncertain how many girls would be living in the halls, the dormitory office said.
