## Chairman Chosen For Show

Phyllis Evans, Phi Theta and junior representative to the ASUO council, was appointed chairman of Coed Capers for 1944-45 at an AWS council meeting last night.

January 12 has been set as the date of the show, which is produced annually with an all-girl cast for girls only. A guard is usually placed around the entrance to Gerlinger, scene of the Capers, to keep men from entering. This year a Dream Girl will be chosen from the freshman class to rule over the event.

All girls interested in working on plans for this year's Capers should contact Miss Evans, at the Kappa Alpha Theta house, before Monday. Chairmen of the various committees will be appointed the first of next week, so that plans may be started immediately.

An award of \$5 will be given to the girl who, in the opinion of the judges, submits the cleverest and most appropriate suggestion for the theme of this year's Capers. Complete details will be announced later.

## Relay Dance Scheduled Saturday

Betty Butler, student in liberal arts, and Dennis Johnson, sophomore in law, have been appointed co-chairmen of the Bunio Derby, Audrey Holliday, ASUO president, announced Tuesday.

Six men's living organizations will take part in the derby which is scheduled for October 14 and 24. The Derby this year will be divided into two sections to accommodate the girls' living organizations who had planned initiation ceremonies or house dances for either of the two dates. The two-section scheme will also assure an adequate number of visiting men at each house, Johnson stated.

The exact time schedule will be published in Thursday's Emerald. Approximately 15 minutes will be allowed at each house for each visiting group in order to keep the men rotating around the campus.

The first section of the Derby is from 12:30 to 5 p.m. this coming Saturday. Present plans slate the starting point at Kappa Alpha Theta and the climax at Delta Delta Delta. The second section, the following Saturday at the same time, will start at Gamma Phi Beta and end at Sigma Kappa.

## Oregonitis Dies As Coeds Revive Spirits at Mixer

Operating in the old western tradition, two houses beat the rest of the campus to the draw in the current struggle to overcome Oregonitis—or social dissatisfaction.

Last night Alpha Chi Omega was hostess to the men of Kappa Sigma at an informal and almost spontaneous mixer. According to Alpha Chi, Mrs. Alice Macduff, assistant dean of women, has sanctioned the mixers without benefit of petition to student affairs, providing the affairs are held between 6 and 7.

Tonight Kappa Alpha Theta is sponsoring a similar event.

## Pet Dinosaur Shivers In "Skin of Our Teeth"

By JEAN LAWRENCE

When a pet dinosaur loudly complains of being cold in the middle of August, when the author can't decide if his characters are living back in caves or in New Jersey, when a leading character repeatedly informs the audience that the play is stupid and she can't understand a word of it, then the play is undoubtedly "The Skin of Our Teeth," now being rehearsed by the

University Theater guild for first night production October 27. The play is under the direction of Horace Robinson.

## Co-op Secures Essential Books

The Co-op announced today that most of the special orders received during the first week of school have been delivered to students. A few books have been scarce, but necessary arrangements for securing used copies have been made and the books placed on the shelves.

The Co-op will be glad to buy any copies of Patterson's, "Principles of Correct Thinking," as the students in the philosophy class need them badly.

Students who are withdrawing from the University or dropping classes should return their textbooks this week if they wish to receive full refund on them.

Ada Zinzer, head of the textbook department, said, "We appreciate the spirit of the students waiting for books which have been delayed. There are only a few books which we don't have yet, but we have hopes of getting them soon."

The forum is sponsored by the Lane County League of Women Voters, and both the Young Democrats and Young Republicans clubs on the campus are promoting student attendance.

Each candidate will speak for 20 minutes on questions presented to him by the league. Guy Gordon, Republican candidate for the four-year term, is not able to be present, but he has arranged for answers to be read.

"We are fortunate to have the senatorial candidates appear before us. This forum should prove to be interesting to all, regardless of party, and will be of great assistance to the students in their selection of a candidate.
