

Gamma Phis Score Victory On Alpha Hall

Yesterday afternoon the most spectacular game of girls' volleyball was the contest between Gamma Phi Beta, captained by

Janet Thompson, and Alpha hall. Sally Speiss, Janet Thompson, and Averil Foster spiked at the net to help add to the soaring total of points made by Sharlee Heimann and Norma Wilder. The final score was 55 to 18 in favor of Gamma Phi.

The Alpha Xi Deltas defeated the Zeta house by another large margin, 52 to 18, under the leadership of their captain, Edith Wilson. Tri Delts and Omega hall girls

played a nip and tuck game that kept the rooting section on the edge of their seats until the last few minutes of play. The final score was 33 to 31 in favor of the Tri Delts.

Wednesday afternoon the unbeatable three of Hendricks hall, Barbara Borrevik, Nancy Steele, and Elaine Taylor rolled up points as their opposing team, Delta Gamma fought back valiantly with Helen Johns scoring the most points for Delta Gamma. The final score was 49 to 18, Hendricks the winning team.

The other two games played were between the Thetas, captained by Sally Jeffcott, and the Pi Phis, and between the Chi Omega team and the Orides. At the end of the first half the Thetas were leading the Pi Phi team by a score of 15 to 12, but Virginia Cloud piled up points for Pi Phi to place them in the lead. Mick Riley and Sue St. Pierre then rolled up 7 points each to put the Thetas out in front to stay, and the final score was 37 to 27. The Chi Omegas were ahead at the end of the half with Marilyn Holden, the captain, returning all the spikes made at the net by the team of Mary Alice Lawson, president of the WAA, and Mary Louise Stone of the Orides. The final score in this game was 31 for the Orides and 24 for Chi Omega.

In Monday night's games, Highland house defeated Kappa Kappa Gamma, 39 to 22; Hilyard house downed Pi Beta Phi, 31 to 30; and Rebec house overcame Alpha Gamma Delta, 29 to 26.

for the remainder of the course. She enthusiastically told of the unlimited future in this work, claiming that therapy will be a part of the treatment in industrial hospitals and mental institutions, as well as in service hospitals for coming years.

lied Art league pointed out that entrants into this course must be between the ages of 21 and 35, and be college graduates majoring in art or home economics. Miss Onthank said that further information about this course could be obtained from the dean of women or from Dean Onthank.

Former BWOC Cites Therapy

Miss Edith Onthank, Oregon '44, and member of the Senior Six, has completed her first four months of training as an occupational therapist. Miss Onthank, daughter of Dean Karl W. Onthank of the University faculty, will graduate from this course as a civilian registered occupational therapist.

"Occupational therapy is a medically prescribed treatment for muscular or joint disability and for mental illness," Miss Onthank explained, while in Eugene for a short visit. The treatment consists of activity such as craft and hospital industries—the last part of the treatment offered in service hospitals before the men may be released into civilian life or back into the service.

Miss Onthank pointed out that this treatment was not only a great medical help, but was also a definite morale builder, for it enabled the patient to attain self-confidence as well as a pre-vocational training.

Miss Onthank, who received her elementary training at the University of Southern California, revealed that she will soon report to De Witt college in Auburn, Cali-
