

Red Cross Activities Invite Student Aid

Red Cross activities are gaining momentum as the number of workers increases, Red Cross house representatives reported Monday.

The knitting department is open for making of afghans, Betty Householder, knitting chairman announced. Each afghan will consist of 80 six-inch squares, knit on four or five gauge needles.

Each girl will buy her own needles and yarn—bright-colored yarns preferred—and do the actual work at home.

Mrs. Edith Siefert, hostess of Gerlinger hall, will give instruction. Anyone interested in forming a knitting instruction class should contact Miss Householder at the Chi Omega house.

Discarded sweaters and knitted dresses should be turned in to Mrs. Siefert, who will unravel them and recondition the yarn for further use.

Sewing will be handled by the

Frosh Pick New Theme For November 10 Dance

After days of indecision and meetings, the freshmen have come up with a new theme for the Frosh Mixer. At this first dance by the class of '48 the Ducks will swing and sway at Gerlinger hall, Friday at 7:30 p.m.

With "definitely different" decorations, refreshments, and entertainment, sophomores, juniors, and seniors, as well as freshmen, are guaranteed the "time of their lives." Watch for tomorrow's paper, when the big announcement about the theme will be made!

Students To Hear Norwegian Concert

Norwegian music will be featured at the regular recorded concert in the browsing room of the library Sunday, November 12, at 4 p.m. Records are from the library of Norwald S. Nelson.

Miss Jean Carkin, senior in the school of music and a member of Mu Phi Epsilon, is in charge of the concert. Hostesses will be: Mrs. J. H. Beck, Mu Phi patroness; Miss Bettiana Watkins, house librarians; and Miss Betty Haworth and Miss Elaine Miller, library staff.

The program scheduled is as follows: Norwegian national anthem; Sonner av Norge, by Blom; Norwegian dances Nos. 1 and 2, by Grieg; Solveig's song (from Peer Gynt Suite), by Grieg; Solveig's Cradle song (from Peer Gynt Suite), by Grieg; and concerto for piano and orchestra in A minor, by Grieg.

Oregon Casaba Squad Defeats G.I. Hoopsters

John Warren's casaba team again defeated the army 55 to 37 in a fast game played here on McArthur court last night. The team looked much better last night in their drive and shooting, and is expected to give Ted Sarpola's team from Seattle a good showing this Friday and Saturday.

Lane county chapter, at 43 W. Eighth. Work will consist of layettes and comfort kits, and participants will be taught to pack these articles for shipping.

Surgical Dressings

All girls who have been instructed in rolling bandages are urged by Dorothy Rasmussen, surgical dressings chairman, to attend the classes every Saturday from 9 to 11:30 a.m. Since instructors are still needed, any girls wishing to take this training should contact Miss Rasmussen at Sherry Ross hall.

A slight decrease from the previous week, in production of bandages, was noticed Saturday, November 4, when only 74 girls appeared, she announced.

Nurses' Aides

"A surprisingly small number of girls have signed up for nurses' aide work this term," Mary Decker, nurses' aide chairman, revealed. "The need for nurses' aides is great this year. It is, therefore, the duty of all students with this training, to fulfill their pledged hours."

Blood Donors

Permission cards for blood donors under 21 years must be signed and returned before the arrival of the mobile unit in December, Sally Spiess, general Red Cross chairman, reminded workers. These cards are available from Mrs. Spiess at the Gamma Phi Beta house.

Various tests have been made which seem to indicate that it is unnecessary for a violin to be old to have an excellent tone.
