

Beavers Trip Vandals; Husky Knocked By WSC

Oregon State's Beavers took one the easy and one the hard way from Idaho's luckless Vandals at Corvallis last weekend. The Orange quint had little trouble in rolling up an impressive 50-28 win in the first encounter. Rocha and Labhart led the scoring with 16 points apiece.

The second game was a different story, however, as the Vandals got off to an early lead and held it throughout most of the first half. Oregon State finally managed to pull ahead with five minutes to go and had a 23-18 half time advantage.

The Staters pulled in front early in the second period and maintained their lead until the final whistle. Len Pyne, Idaho's sparkling little guard, led the Vandals in several valiant, but fruitless, rallies against the Beavers' overwhelming height margin.

The Washington State Cougars jumped into the thick of the Northern division race last weekend, as they left Seattle with two wins over the Huskies tucked into their win column.

Towering Vince Hansen, WSC center, led the Cougars 19 points the first game and 16 the second. Hansen's high-scoring nights gave him a total of 224 points during league play, which equalled the record set in 1942 by Gain Bishop of Washington State. Hansen still has two games left with Idaho in which to set a new mark.

Washington led the Cougars at halftime the first game, but the Cougars came storming back to take a 53-42 victory.

The Huskies put up a stiff battle the second night, as the lead changed hands 13 times and was tied four. The score was knotted at half time 22 all. Washington took a 5-1 lead early in the game, but WSC rapidly tied the score. The Huskies went ahead and remained in the lead until Mort Joslin hit a long shot a few seconds before the half to tie the score.

The Cougars paced the game during the second half and the Huskies faded under the powerful Cougar attack.

Discharged Veteran

Callaway is a former serviceman with a medical discharge. According to his father, J. W. Callaway, he has suffered with a bladder ailment since he was 7 years old. This condition had been brought under partial control through medical treatment at the time young Callaway entered the army November 3, 1942, the father said. It was while in the army that

a recurrence of his old trouble brought about his eventual discharge from the army. Before he obtained his medical discharge, Callaway had earned a T-5 rating as a tank driver and was stationed at Camp Berkeley, Texas. He returned home April 16, 1944.

Was Once Married

Callaway's father said that Hubert was married in September, 1942, but later while his son was in the army, his wife obtained a divorce which Hubert did not contest, and the girl remarried.

Hubert Callaway is a graduate of Eugene high school. He had one brother, Pvt. Wayne A. Callaway, 19, who was reported killed in Belgium January 29.

Callaway was arrested while driving on his milk can pick-up route Saturday afternoon. The father and mother were present. According to the elder Callaway, Hubert said to him, "Well, Dad, I guess the wrong boy got killed."

Knowing Capt. Hunter as a close friend and fraternity brother during his days here at the University causes me to grieve deeply on learning of his death in action. His loss as a citizen and outstanding soldier typifies the sacrifice our country must make for the cause.—Don Turner, first year law student.
