Some of the many fine books offered for sale in the trade book section of the Co-op. This department features the latest in fiction, biographies, books on current events, satire—almost any kind you can think of.

Susan Campbell Athletes Win Participation Plaque

For being champions in intramural volleyball, basketball, badminton, and swimming this year, entering a team in every activity, and placing third in softball last spring, Susan Campbell hall has been awarded the WAA participation plaque. The presentation was made at WAA installation and ceremonies Tuesday to Betty Crabb, Susie star player, by Miss Helen Petroskey, WAA adviser.

Honorable mention was given to University house for entering two basketball teams; Kappa Kappa Gamma, two volleyball teams. Also Delta Gamma was credited for winning the softball tournament last spring.

Junior Awards Given

Juniors' awards were presented to Mary Elizabeth Davis and Wanda Lu Payne, who have earned nine participation checks. Betty Crabb has received the 15 checks necessary for a senior award, but may not receive this award until she is a senior.

New hockey club officers announced are Shirley Cox, president; Grace Edwards, vice-president, and Nadya Ramp, field manager. Betty Crabb explained how the tennis singles will be run this spring, and Esther Quier gave a pep talk for softball.

Mrs. Wickham Talks

After initiation and installation of new officers, Mrs. Golda Wickham, acting dean of women, gave a talk, "Confidentially Speaking." She urged the coeds to be individuals, and have definite ideas and opinions, explaining in detail her ideas on an "insurance policy" for girls.

Father Macelwane To Speak Tonight

Father James B. Macelwane, the well-known geologist-priest of Saint Louis university, will lecture today on "The Interior of the Earth" under the auspices of Sigma Xi society.

The lecture which is open to the public will be held in 207 Chapman at 8:15 p.m.

Miss Metcalf, Pianist, To Give Recital Tuesday

Patricia Metcalf, sophomore in music, and student of Mrs. Jane Thacher, will present a piano recital at 8 p.m. Tuesday, March 13, at the music school auditorium. Also appearing on the program will be Marilyn Olson, violinist, sophomore in music. The program is open to the public.

All the women I have kissed make one observation about my technique. But I wish to state flatly, at this time, that I have never wrestled alligators for a living.—Jell Mell.

Jewett Speech Contest Will Begin Wednesday

Representatives from each of the extempore speaking classes will participate in the winter term inter-sectional Jewett speech contest, Wednesday, March 14. Contestants have not yet been selected.

Jewett prizes range as follows: \$15 for a superior performance; \$10 for an excellent performance; and \$5 for a good performance. In this contest, students reflect the type of work being done in the beginning extempore speech sections.

Changing Major? Try Johnson Hall

Planning to change your major next term? Then attend to that matter before the end of this term, C. L. Constance, assistant registrar, advises students. That change in registration, as well as a change of name, takes time to administer, and it may be delayed if not made in advance.

To change one's major, a card must be secured from the registrar's window on the top floor of Johnson hall, and approval obtained from the head of the department to which the student wishes to become attached.

Changes in housing should also receive advance attention.
