

UO Swimmers Place Second In West Meet

Placing second in competition with seven other universities and colleges of the western region, the University of Oregon women's swimming team nicked a tie for fourth place nationally when they participated in the annual Intercollegiate Telegraphic Swimming meet March 28. Maryanne Hansen, freshman in liberal arts, placed first and set a new record in the 60-yard individual medley during the meet, as she sprinted to a 45.6 victory.

The University of California at Los Angeles won first place in the meet with 3½ points, and Oregon trailed by only half a point. The University of Utah placed third and the College of the Pacific fourth. Following in order were the Utah State Agricultural college, the University of Hawaii, the University of Idaho, and Washington State college.

Miss Hansen Second

Miss Hansen placed second in the 40-yard crawl, following Diana Johnson, UCLA, by three tenths of a second. Doris Trask, sophomore in business administration, placed fifth in that event. Tying for third place in the 40-yard breast stroke was Rosalind Enns, freshman in art. Miss Hansen won the 100-yard crawl, and Miss Trask followed in third place. Second place in the 100-yard breast stroke was won by Miss Enns.

The 60-yard medley relay was won by the University, when the Misses Hansen, Enns, and Trask won the event. The 80-yard medley free style was also won by an Oregon team, this one consisting of Miss Hansen and Miss Trask, Jackie Paikuli, sophomore in art, and Jessica Bartels, freshman in liberal arts. Miss Paikuli also placed fifth in the 60-yard individual medley.

Swim in Own Pool

Each team swims in its own pool, and the times of each event are recorded by officials. These scores are sent to the regional sponsor, the University of Utah, and here the scores are compiled.

Also swimming in the meet were Beverley Bennett, freshman in physical education, Lucille Bellinger, freshman in liberal arts, Martha Bucknell, sophomore in liberal arts, Ada Anderson, sophomore in liberal arts, and Sharlee Heimann, sophomore in art.

"History will probably say of him that he died for his country. He was a man who employed to exhaustion all the mental and spiritual powers at his control in carrying forth his purposes. He risked his life in prosecuting the present war, and if his physical capacity was less than that of spirit and mind, Mr. Roosevelt is perhaps to be admired the more.

"We shall always remember him with greater emotion than we shall any other president for Mr. Roosevelt's administration has spanned the period of our childhood. Probably we shall never be able to judge him in his particular historical position because of this personal association."
