

# Three Coed Softball Teams Lead in WAA Tournament

By VICTORIA UTZ

With the end of another week of softball, Alpha Omicron Pi, Susan Campbell, and Hendricks hall, all undefeated, lead leagues 1, 3 and 4 in the WAA softball tournament. Susan Campbell has three wins and the others have two each. League 2 is tied with Alpha Phi and Highland house each with one win.

Led by Betty Jean Wait, pitcher, and Betty Crabb, catcher, and outplaying their opponents, Alpha Chi Omega, Susan Campbell was able to win Monday's game 12 to 1. All of the runs made by the winning team were made in the first four innings, but in the last inning the Alpha Chi O pitcher, Mary Duffy, held her opponents scoreless.

Another 12 to 1 tally was made Tuesday when Zeta hall beat Kappa Alpha Theta. Sparked by Jean Bray, pitcher, and Hannah Edwards, catcher, the winners consistently maintained a lead throughout the game.

### Exciting Game

The most exciting game of the week occurred when the Rebec Hilyard team beat the Delta Gammas 14 to 13. At the end of the third inning the DGs, led by Shirley Gray, captain, had built up a 12 to 1 lead, but at the end of the fifth inning the score was tied 13 to 13. After two innings of overtime play the Rebec-Hilyard team managed to roll up the extra score to win the game in the seventh inning. Captain of the winning team is Dorothy Currier, while the battery is made up of Dorothea Thompson and Lorraine Peterson.

Wednesday, University house, paced by Captain Phyllis Wells, Pitcher Shirley Cox, and Catcher Betty Walters, won their game against Alpha Delta Pi 9 to 4. Tallying four runs in the second inning, 3 in the fourth, and one in each of the other innings, the co-op girls maintained a consistent lead.

In the game Thursday, Susan Campbell continued their wins with a victory over Sigma Kappa. The evenly-matched game ended with a score of 4 to 3. At the end of the third inning the Sigma Kappa team led 3 to 2, but the dormitory girls led by Betty Crabb, and Betty Jean Wait, pitcher, forged ahead, chalking up the winning points to win the game.

Orides has dropped out of the contest and thus forfeits their chances to engage in women's intramural athletics next term. At present Alpha Gamma Delta has postponed two games and also is in danger of being ruled out of fall term competition. The Alpha Chi Omega vs. Theta game scheduled for early in the week has been postponed until 6:30 on May 8, when a twilight game will be played.

## Combat wire moving up in a hurry!

Every unit ties in by telephone to report on contact between companies, and to discuss the next move.

That means combat telephone wires must be laid down with every forward push. And communications crews must work continuously repairing the breaks in lines torn by tanks and amphibians and blasted by artillery and mortars.

Our Armed Forces still have urgent need for huge quantities of communications equipment of all kinds. That's why there is a wait for home telephone service.
