Wesley House to Locate on Onyx

Wesley House, which is sponsored by the Methodist church, will be located at 1337 Onyx street on September 1. The property on which the house was formerly located at 1258 Kincaid has been sold, and Wesley Foundation is purchasing a new house through pledges from local and state Methodist churches, Mrs. Don Durland (Velita Estey), president of the foundation, reports.

The student director, Mrs. Paul Hurlecker (Mary Beth Carpenter), will live at the house; there will also be six rooms for Methodist girls and two garages for rent. With increased facilities for studying, meetings and recreation, the house will be open at all times to all students. With the house, now used as a private dwelling, is a spacious backyard with a fireplace.

Mrs. Durland announced that the Wesley cabinet will make plans for the year at a two-day retreat the week previous to school opening.

World War II Vet Joins YMCA Staff

Lynn Hutchinson, assistant professor of education and war veteran, has been appointed director of student activities of the University YMCA. He will work with the student president of the "Y," Ed Marshall of Pendleton.

Mr. Hutchinson was a lieutenant in the air corps before his release under medical discharge in 1944. He had done two years of graduate work at the University before entering the army and holds a master's degree from Utah State.

IF YOU KNEW THE UNIVERSITY OF OREGON

as we do... it would be the school of your choice for the next few years or until you graduate. Unquestionably it has a great and immemorial future in the POST WAR PERIOD

You can be a part of this with a world at peace.

Very soon, we hope returning veterans will join in the great migration to the seats of higher learning.

..... Let the University of Oregon BE YOUR GOAL. As the university and Eugene grows so will The Broadway. In the immediate post war period, we plan to modernize our store. To make it one of those places in which you will like to shop for.....
