Leicht Leads Duck Victory

(Continued from page one)

Idaho's Bert Garner returned the kick-off of Jake's and was stopped on his own twenty. The first play Hatch threw a pass that was intercepted by Leicht on the Idaho's 45. In three plays by Reynolds, Leicht and Donovan, the ball was on Idaho's seven. The next play Leicht took the "T" pass and was next seen crossing the Idaho goal line after exhibiting some shifty running that brought the stands to their feet. Jake's kick was wide.

The next tally came in the second quarter when right end Bob Anderson caught Leicht's 25 pass in the end zone. Bill Abbey found his mark for the extra point. The half ended with Oregon in front, 19-0.

One minute after the half started Oregon scored again. Hatch returned Jake's half-time kick to his own 29 where he fumbled and Leicht recovered. The first play Donovan headed for the left, but reversed his field, passed two tackles and hit pay dirt. Jake's extra point kick was good. Score, Oregon 26, Idaho 0.

A shuttle pass from Abbey to DeWayne Johnson was completed, and Johnson was tackled in Idaho's end zone. This brought the score to 32-0. Abbey's kick was good, making it 33-0.

Idaho's one touchdown occurred in the fourth quarter, when Shepherd passed to Brown. Tackle Frank Viro's placement tally was good.

With Oregon's third and fourth strings taking it from here, the game continued in mumble fumble fashion till the gun brought the contest to an end. Final score, Oregon 33, Idaho 7.

Oregon Webfoots Expected To Smash OSC Beavers At Corvallis Game Oct. 13

The University of Oregon Webfoots tangle this coming Saturday with the Oregon State Beavers in Corvallis. Using the age-old method of comparing scores the odds are decidedly in favor of Coach Tex Oliviers boys with their tricky "T" twist formation and quarterback Jake Leicht. In last Saturday's clash Oregon roared over Idaho 33-7 without really showing everything they had while the Oregon State gang was trounced decidedly by Washington State 33-0. Several weeks ago the Washington Staters kicked Idaho around to the tune of 43-12.

There doesn't seem to be any system of comparison that will work when these two teams meet however as they have upset each other more times than you can count. The Beavers and Ducks have not met since 1942 when Oregon State won by a substantial margin.

Bob Reynolds, star halfback of the Washington game, should be fully recovered from an injury which held him down decidedly against Idaho. With Reynolds back in good shape and with triple threat Jake Leicht again at quarterback the Webfoots should really

throw the book at the Staters this coming week-end.

The Webfoots will be putting in much of their practice time this week on their defensive line play. A straight power attack which may be the State strategy might embarrass the Oregon forward wall. Oregon State has been hitting the line for most of their yardage this season as their big gun is Bob Stevens, holdover fullback of their '42 team.

Against both the Camp Beale team which they tied 14-14 and Washington State last week they used Stevens on line smashes time and time again. He is the Beavers' chief ground gainer and they will need him plenty against the heavy Lemon "O" line Saturday.

Cubs Outlast Tigers 8-7 in Overtime Match

Call it what you may! But yesterday's sixth world series game at Wrigley field Chicago was probably the most exciting and record shattering game played in many years.

The final score tabulation is enough to give indications in itself of a real ball game.

With the score tied 7-7 all going into the last of the 12th inning. The cubs took their time at bat with Williams grounding out. Secory batted for Mirullo and singled to center. Borowy struck out.

Stan Hach the cubs "hot spot" infielder drove a single into left field, where Greenberg was waiting to retrieve it on the first bounce. Instead the ball hit a cloud and went soaring over Greenberg's head. This enabled Schuster, who was running for Secory to reach home plate safely with the winning run.

Reporter's Meeting

A special meeting of all Emerald reporters or potential reporters will be held Wednesday evening at 7:30 in the city room (room 6) in the Journalism building. All reporters and all students who signed up for reporting are asked to attend, as well as those who would like to work on the Emerald now.

Colds, Flu Adds To Pill Palace

There seems to be almost an epidemic of colds and flu over the weekend. Monday is always a thriving day for the pill rollers, and yesterday was no exception. With the advent of two leaving over the weekend, five new victims came in to keep company with one patient who is still in the pill palace.

The girls have outnumbered the men again, this time by four to two. Dorothy Davis and Betty Shultz, Susan Campbell; Mary Rose Wieve, Sigma Kappa, and Ailsa Bynon, Delta Gamma are the new patients. Roscoe Bryant, Sherry Ross, is the only male to enter.

Standby John Frick, who will have been in two weeks Wednesday, anticipates early termination from his association with the hospital.

Carnegie Record Room Now Open

The Carnegie record room in the school of music, not in the library as was stated in Thursday 6, Emerald, is now open to the entire student body, for the convenience and enjoyment of those who appreciate this collection. All the records are available to any student on the campus, except when specific assignments are given to specific students, who will receive preference on the assigned numbers.

Jon Kok, graduate assistant in music, is in charge.

The hours are from 3 until 5 on Monday and Wednesday, 10 to 11 on Thursday, and from 2 until 4 each Friday.
