

# Get Acquainted Co-ops' Theme At House Mix

"Getting acquainted" will be the main theme of the girl cooperatives open house mixer to be held tonight from 8 to 10 o'clock. The mixer will include the four co-op organizations, Rebel House, Hilyard house, Highland house and University house.

Promptly at 8 p. m. one half of each house will leave, their destination being another co-op house. Each group will meet the house-mother and the new girls. Following introductions and a getting-acquainted program, the girls will be shown through the houses and at a specified time they will leave for the next house.

At 9:30 the four houses will meet at the new Hilyard House on Alder street for a half hour of speeches and entertainment. Miss Esther Paronen, president of the co-op council, and Miss Charlotte Parr, treasurer, will talk on their trip to Berkeley, California, where they attended a meeting of all cooperative organizations early last summer.

Responsibility for seeing that the mixer is carried out smoothly goes to Esther Paronen, president of Highland; Marietta Probst, president of University; Betty Thorpe, president of Hilyard; and Grace Edwards, president of Rebel.

The evening will finish with songs and dessert.

After using bath towels, spread them out on racks to dry instead of folding or bunching them. In hot weather soggy towels can mildew over night.
