

At Church This Sunday

Sunday has been designated as Everybody Go To Church Sunday in Eugene and Springfield. Protestant and Roman Catholic churches are joining in this united invitation to everyone to go to the church of his choice on Sunday. A special invitation is extended to all University students to participate in the observance of this day. All churches of Eugene and Springfield are cooperating in a survey and enlistment program to aid in ministering to the new people who have moved into this area.

Mrs. Virginia Hathaway, operator of the student employment service, reports there are many job openings for students of the University. The student employment office is located in the YMCA building at 1225 Kincaid st.

Some of the many positions now offered are office positions, room and board jobs, filling basements with sawdust, mowing lawns, dish washing and waitress work, sales work, sign painting, library work, manual work such as concrete construction, child care, tutors in music, orderlies for hospital work preferably pre-med students,

Mrs. Hathaway also stressed the need for the wives of veterans. There are many positions open to them which are permanent. Those who are interested should fill out an application blank and register for the job they desire or if they are interested in a particular line of work and it can not be filled at present they will be notified of the vacancy when it exists.

Newly-Formed 'Club Espanol' Slates Fiesta

A typical Mexican market scene, complete with haggling vendors and argumentative customers, will head the entertainment list for the first regular meeting of the "Club Espanol," organized on the campus Thursday. The event, set next Thursday at 4 p. m. in the north room, third floor of Gerlinger hall, will also feature an auction, Mexican songs, and a short skit in Spanish, Joann Swinehart, program chairman announced. Selection of an auctioneer, who must rattle Spanish with machine-gun rapidity, will be made sometime this week.

More than 50 Spanish students who attended the preliminary get-together Thursday, voted to name the organization "El Club Espanol," suggesting as activities for later this year the presentation of plays in Spanish, Mexican dancing and singing. Election of a club president, vice-president, secretary-treasurer and publicity chairman, will be held within the next few weeks.

The "Club Espanol" will meet with almost no formalities such as minutes and committee reports, members decided. Time will be given entirely to conversation and other activities in Spanish.

Committee members in charge of Thursday's entertainment, announced by Miss Swinehart, are Jean Wyckoff, Betty Brown and Edith Goldstein.

Membership in the club is open to all Spanish students and others interested in the language, organizers stated. Any student not present at the organization meeting may join the group at the Thursday event.

Nurses in Hospital But Now a Patient

Thirteen patients are still in the infirmary, although one Leland Cramer, 611 East 13th, has been replaced with Jack Perusish, Phi Delt house.

One of the nurses, Mrs. Ida Brown, is occupying room number four. Feeling ill while in Portland over the weekend, she took a busman's holiday in the infirmary upon getting back to Eugene.

The girls may remember her as one of the nurses at the table when they took their T.B. and small pox shots. Mrs. Brown should be out of bed and back on the job today.

Those still on record are Ailsa Bynon, Delta Gamma, Marcelyn Wiggins, Delta Zeta, Dorothy McLoy, 808 East 13th, Carolyn Stuart, Susan Campbell, Lorraine Thompson and Doris Wilson, 754 East 13th, Dick Goodwin and Warren Hicks, Campbell Co-op, John Frick, 2111 Lincoln Avenue, Earl Ladd, Northwest Christian College and Bob Elliott, Sigma hall.

Guests would be appreciated by all who are interned in the pill palace between three and four, and seven and eight.

Shades of Co-op Lines

Time was when it was considered daring for the girls to wear slacks. But one inmate of Susan Campbell, who prefers to remain anonymous, has carried the emancipation of women one step farther.

True, it is no longer considered unusual for a girl to smoke, but she was puffing away on a cigar, insisting that she enjoyed it. "Always have liked the smell of cigar smoke!"

It was noticed, however, that she did not finish it. According to latest reports, she was seeking fresh air.

Tea to Be Held Sunday

Zeta Tau Alpha sorority will hold a tea Sunday, October 14, from 3 to 5 p. m. honoring their house mother, Mrs. Lorraine of Los Angeles, California.

In the receiving line will be Mrs. Clancy, Joyce Blow, chapter counselor, Albion college, Michigan; Betty Lohmuller, president, Baltimore, Md.; and Miss Evelyn Raymond, president of the ZTA Eugene alumni association.

Mrs. R. W. Loughton and Mrs. Thomas Young of the alumni association, will pour.

Miss Shirley Raeder house social chairman assisted by Jeanette Grant, will be in charge of arrangements.

Kwama to Direct Frosh Orientation

Orientation meetings for freshmen will be held within three weeks, under the direction of Kwama, to acquaint the new students with campus activities.

After explaining the coordination of activities, the representatives will sign up students interested in participation. These lists will be used for future reference.

With this year's meeting plan changed, the representatives will go to the individual houses to speak, instead of the previous plan of holding one big meeting as was the program last year.

100 Ad Contracts Sought by Emerald

A goal of 100 advertising contracts has been set by the Emerald business office, Annamae Winship, business manager, announced Friday.

To date, 52 such contracts have been filled and Miss Winship plans to sell the remaining 48 by the end of next week. This should be possible through the efforts of the day managers and other student salesmen in the department.

As students may have noticed, the Emerald has adopted a policy of promoting the Eugene merchants who advertise in the school paper. In addition, advertisers are to be sent the paper daily rather than only on the day they advertise, as was the former custom.

Barrett Molested Af Hayslide Feta

Lyman Barrett, sophomore in music, suffered minor injuries when attacked by an unknown assailant at the entrance into the Little Art Gallery about 9:30 last night.

Barrett was attempting an entrance to the "Mexican Hayslide" party given by the School of Architecture and Allied Arts. As he strode past the door a hand reached out and encircled his throat.

A brief struggle ensued before the horrified eyes of sixty students who were attending the party. Barrett disappeared into the darkness and emerged a short time later.

The assailant apparently escaped although it is possible he could have mixed in the crowd unobserved a few minutes after the excitement was over.

Dancing to records continued as if nothing had happened.
