

Fantastic 'Time of Your Life' Sceduled to Open December 1

By SHIRLEY ANDERSON

Having the times of their lives in preparation for Saroyan's "The Time of Your Life" are the various members of the theater guild who may be seen energetically buzzing in, about or around the guild theater and workshop these days. The ambling and almost plotless fantasy will be presented to the campus and other drama enthusiasts the first of next month.

Under the direction of Horace W. Robinson, assisted by Marilyn Wherry, the crew in charge of the stage makeup and setting is as follows:

Stage manager, Kenneth Shores; assistant stage manager, Jeanne Myers; switchboard operator, Dorothy Lee; property manager, Beverly Slaney; assistant property manager, Jean Norlen; sound effects, Janice Myers; box office manager, Janette Williams; head usher, Betty Ingebritson; make up, Joe Schulberg.

The stage crew for the show is hard at work with the reproduction of a San Francisco waterfront saloon, wherein very nearly all the talking of the play takes place.

Holding down the leads in the drama are Lewis Vogler as Joe and Estelle Shimshak as Kitty, with Clifton James and Marjory Allingham running close seconds as Nick and Mary.

"The Time of Your Life" promises to be highly enchanting . . . "a prose poem in ragtime with a humorous and lovable point of view," as described by the New York Times.

The walls of the hall were a landscape of blue and black with one side picturing the outline of New York City, made complete with the Empire State building and the Brooklyn bridge. Illuminated stars, lighted windows, a moon, and shaded blue lights completed the transformation.

Refreshments were served during intermission. Patrons and patronesses were Mr. and Mrs. J. C. McCloskey, Mr. and Mrs. J. Alan Wickham, Mrs. Genevieve Turnipseed, Mrs. Edna Stokes, and Mrs. Alda Stilwell.

Committee chairmen were as follows: decorations, Betsy Moffitt; refreshments, Mary Fletcher; clean-up, Myrl Sykes; flowers, Sue Carter; music, Jean Stone; and Cay Reese as general chairman.

HAS FOOTBALL LOST ITS KICK?

Knut Rockne said, "Give me a good, reliable punter, and I won't worry about my offense." Can't today's football players kick? Why is Lou Little a little sad? Maybe he remembers when guys really could boot the pigskin—17 field goals in one game! A 63-yard drop kick for a field goal! 97 points, scored by a player who was never officially in the game! Only 3 field goals missed in two years of college football! How does today stack up? Read this *true* sports thriller . . .
