

THE Chinese HAD A WALL

Generations slaved away their lives to build it. The wealth of kings and the skill of engineers were poured into its construction. And, when it was finished, it roamed a vagabond course over the mountains for hundreds of miles, like a great grey dragon breathing defiance from every segment of its poised body.

It was a peace-loving nation's way of telling the world that she wanted no more war . . . and the men who built it *actually* believed it would protect them from aggression.

The Americans have an atomic bomb. It, too, is a peace-loving nation's way of telling the world that she wants no more war. And millions *actually* believe it will protect, not only America, but the whole world from aggression.

The only sure protection against war is the fortress that saves mankind from the evils in men's hearts which foment war. That fortress is the Christian religion. But even our religion is not a sure protection until it reaches the hearts of all men.

Support your church. Help it build the foundations of Peace in your own heart. And with your prayers and your purse advance its tireless efforts to build those same foundations in the hearts of all men.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the Church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church on Sunday.
