

## Romance In Season

By JOAN WILLIAMS

Despite the rain, Dan Cupid is still hard at work on unsuspecting Oregon ducks. Proof of this is found in the many engagements announced on the campus this term.

An announcement of special interest is the engagement of Signe Eklund, Tri-Delt, to Hal Larson, former army major, who is now a senior on the campus. You can't miss that smooth couple!

### Matched

The engagement of Frannie Maier to Lt. John Dick, navy air corps, former Oregon ASUO president and Sigma Nu proxy, came as a surprise to her Delta Gamma sisters last Monday night at midnight. The dining room was candlelit and place cards were match books with "Frannie and John" engraved on them.

It is the custom at the Theta house to announce engagements at dinner, so Janet Bodwell announced her engagement to Bob Eissett, Theta Chi, with printed doilies under the ice-cream dishes.

Joan Elliot, of the same house, cleverly announced her engagement to Jack Baker with small cards printed in red and grey with a picture of a baker engraved

thereon.

Two couples are going to exchange rings Christmas vacation. December 16 is the date for Gloria Newell, Tri-Delt, and Sam Brothers, who has just received his discharge papers from Uncle Sam. The other couple is Betty Bennett, Gamma Phi, and Jack Cramer, Theta Chi.

### Don Bozorth Chosen For Infantry Grid Team

Cpt. Donald Bozorth, president of the Pi Kappa Alpha house in 1943, was among 40 ex-professional and ex-college football players chosen for the 93th Infantry division team in Japan, his mother has informed the Emerald.

The 40 members of the team were selected from 150 candidates, and they are touring Japan now.

Before his division was made a part of the army of occupation, Don was stationed in Hawaii for a year and taught small infantry weapon technique and was in the orientation and education office.

According to his mother, Mrs. Claude A. Bozorth, he hopes to be able to return to the University next fall.

### AOPi President Visits

The Alpha Omicron Pi's entertained Mrs. Dorothy Bruniga Dean, national president of the AOPi's, over Homecoming weekend. Mrs. Dean arrived Friday, November 30 and left Monday.
