# Freshmen Election Slated Today Voting From 10:30 To 5 pm At 'Y'

## Campus Honoraries To Assist At Polls

The Class of '49 will elect today at the annual freshman elections from 10:30 a.m. to 5 p.m. in the YMCA building.

Members of Mortar Board, senior women's honorary; Kwama, sophomore women's service honorary, and Skull and Dagger, sophomore men's honorary, will assist at the polls, direct proceedings, and count ballots.

Candidates for the presidency are Jim McClintock, backed by the Greek faction, and Fred Goodspeed, representing the Independents. Joan Williams, Greek, and Colleen Mariott, Independent, are running for the vice-presidency, or, number two position on the slate.

Four positions, president, vice-president, secretary, and treasurer, are open. Each political party, following precedence on this campus, only nominates two candidates, for president and vice-president. Through the preferential system of voting the two candidates with the highest number of votes get the two top positions, the remaining candidates sliding into the lower slots.

At the January 17 meeting of the ASUO executive council it was decided that coercive action by political parties will be reason for contesting the election.

Other election rules set by the executive council are secret voting booths, stub ballots, no electioneering allowed within 100 feet of booths, and no one allowed in the polling place when voting takes place except those necessary to carry out the voting procedure.

## Movie "The Wave" Shown in Spanish

Of special interest to Spanish students will be the Mexican film "The Wave" (Redes), sponsored by the educational activities board to be shown next Wednesday night.

This is a simple story of the work and struggle of the people of Vera Cruz, a coast fishing village. It has a profound meaning for audiences and artists everywhere.

Although the picture was filmed and produced in Mexico, it was made by an American photographer, Paul Strand, for the ministry of fine arts in the Mexican department of education.

Spanish dialogue is used throughout the film, with English titles. The score was written by the famous Sylvestre Revueltas.

This picture will be offered in 207 Chapman hall from 7:30 to 10:30 p.m. with two continuous showings Wednesday evening. Students, faculty members, and townspeople are invited to attend.

## Withdrawal Dates Set

The final date for withdrawal from courses as set by the faculty is Saturday, February 2, announced Clifford Constance, assistant registrar. Any withdrawals permitted on petition later than that date will be marked on the permanent record cards.

## Greek Candidates Recite Hobbies, Activity Records

### Jim McClintock, Joan Williams Give Reasons For Choice of University As College to Attend

Jim McClintock and Joan Williams, Greek candidates for freshman class officers, have many things in common and not the least of these is a great enthusiasm for the University of Oregon and all its activities. Jim, candidate for president, says, "The kids are swell and have more on the ball than the Oregon Staters—more class." Joan, candidate for vice-president likes the "spirit and friendliness" of Oregon students.

#### McClintock and Puddles

If you see a little blue convertible of about 1931 vintage running around the campus you may be sure that it is driven by Jim McClintock, he of the ever-ready grin and the sandy hair.

The job of art editor for the Oregana is one which Jim enjoys, for his major is art and he hopes to be a professional artist after graduation from Oregon. Honor in the field of painting came early to Jim when he received the highest state honors for his water colors and had work displayed in Carnegie Institute and in Madison Square Garden while attending high school. Jim likes his art work so well that drawing and painting are also his hobbies.

#### Chi Psi Pledge

Oregon's little feathered mascot, Puddles, is a popular topic as far as Jim is concerned. Chosen for her pure white feathers from over fifty ducks offered as mascots, Puddles has become very tame and quite intelligent. She responds to commands and comes when her name is called. Jim says that she is very happy at the Chi Psi house to which he is pledged, because it gives her a chance to swim in the mill race—when there is any water in it.

Spare time is almost unknown house boy include washing the pots to Jim, as he is working his way through school. His duties as
