

Co-op Tips NCC Mosby Sets Pace

Lead by the 18-point tallying of Captain Jerry Mosby, Campbell Club topped Northwest Christian college 44-42, in a fast tussle Tuesday night in the NCC gym.

After trailing at the end of the first quarter 8-2, NCC, aided by a couple of their regulars, D. Byers and Smith, began hitting the net and rolled to a 18-17 lead at halftime. In the third quarter, NCC maintained their rally to roll up an 8-point lead.

However, in the final quarter, the Campbell squad put on a rally that knotted the score at 42-42 in the final minute of play. Fifteen seconds before the final gun, Byers, Campbell center, sank the winning tally from the corner.

High scorer for Campbell was Mosby, with 18. Robson and Beyers followed in close support, 12 and 10 points, respectively.

Don Beyers was high scorer for NCC, registering 13 counters.

Yeomen to Hold Dance; Youman to Play March 2

The Yeomen, independent men's organization, will hold an all-campus dance Saturday, March 2, featuring Skip Youman and his orchestra. The theme of the dance will be "Spring Fever," and short silks, suits, and sport coats are in order. This dance is a date affair and no corsages are to be worn. Tickets will be \$1.20 per couple; the time and place for obtaining them will be announced later.

Committee heads for the dance are: Don Taylor and Art McNamara, publicity; Bud Clark, music; Gaylord Rose, decorations; and Clifford Brooks, refreshments.

Browsing Room Concert To Feature Brahms

Rosemary Loder will be hostess Sunday, February 24, in the Browsing room at the library, when records from Pat Metcalf's collection will be presented at 4.

The records included are: Symphony No. 1 in C Minor by Brahms and Piano Concerto in E Flat (Selections) by Chopin.

A. L. Soderwall Speaks

Dr. A. L. Soderwall, assistant professor of zoology, will speak on "Some Quantitative Studies on Hormones," at the next meeting of the Biology Seminar. The meeting will be Friday, February 22, at 4 p.m., Room 105 McClure hall.

MAGAZINE

(Continued from page one) during or immediately after the dinner hour. Similar forms will be later available for those vets who do not live in organizations. Location of these forms will be announced in the Emerald.

Accounting Honorary Initiates New Members

The Beta Chapter of Beta Alpha Psi, accounting honorary fraternity, held an initiation ceremony Tuesday at the Osburn hotel with Elmer Olson, president, presiding. Those initiated were Charles Frazier, Leroy Hewitt, Ted Kent, and Ernest Murphy, business administration majors, and Percy Brown, C.P.A., Eugene.

After the initiation the members attended a banquet honoring the new members. Speakers for the evening were A. B. Stillman and C. L. Kelly, professors in business administration.

'Life' Photo Exhibit At Libe Next Week

An exhibition on "Photographing Science" prepared by LIFE photographer Fritz Goro, and made possible by the editors of LIFE magazine, will be shown in the library on the second floor beginning Monday, February 25, and continuing through March 1.

The photographs are enlarged and mounted on panels of 26" by 38" and portray important scientific work. Of the eighteen photographs to be used, scientific phenomena shown will include microwaves, electronics, penicillin, lithium crystals, coated lenses, alternating current, and atomic energy. Explanatory captions will explain each panel.

An experienced cameraman, Mr. Goro has made these photographs with specially built equipment. Considering the two dimensional effect of micro-photography, he has created what he identifies as "Macro-photography." This is designed to take "tiny objects below the point of vision and photograph them in their environment." A pioneer in photographing science, Mr. Goro made a first photograph of an atom splitting in 1939. This picture will be included in the exhibit.

CAMPUS CALENDAR

Today

AWS Tea in Gerlinger at 4 p.m. All University women are invited
Skull and Dagger meeting at 3:30 at the Phi Gamma Delta house

Inter-fraternity council meeting at 7 p.m. at the Side.

A DUCK SEZ

(Continued from page four) him, not to mention his coming senior ride!

Cub has only one wish in regard to his swimming career, and that's simply that he could be a good swimmer without so much practice. "It's not so bad though, especially when you have the chance to train under such swell guys as Vaughn Corley."

But, fans of the Talking Duck, that's another story, and for information you might desire on the aforementioned swim coach, just read your Emerald tomorrow, free at all well known news stands.
