By Shirley Anderson

Opening a seven-night showing in the Very Little theater at the fairgrounds Saturday is "Ten Nights in a Bar Room," a revival of the famous old melodrama. The play is under the direction of George Hebert, who had considerable dramatic experience with the Portland Civic theater before coming to Eugene.

Curtain-time is 8 p.m. for the moral drama, written in much the same vein as Harriet Beecher Stowe's "Uncle Tom's Cabin," pointing out the curse of drink and the evil effects of over-indulgence. Written in a serious tone and placed straight the plan is bound. played straight, the play is bound to receive varied interpretations.

The plot of the play deals with the regeneration of a drunkard, while an enterprising innkeeper falls prey to the undermining influences surrounding him and yields to the temptations of drink.

The costumes for the drama follow the styles of the Gay Nineties era, made authentic through perenal contributions and donations. Gerda Brown, of the University Co-op store, and Gretchen Parker are in charge of the costuming for the play and for the five olio acts which will be given as entertainment between each scene. The songs and dances continuing the action between curtains are directed by Gene Edwards.

In keeping with the VLT tradition, coffee will be served free of charge at intermission. Tickets for the melodrama are on sale at the Willamette street market.

#### Beer Well Regulated Dean Earl Declares

The following quotations were given by the United Press Thursday regarding the application for a beer license by the College Side Inn. Virgil D. Earl, dean of men, declared, "Just closing one place near the campus doesn't solve the problem. We've got things regulated fairly well. If the person is of legal age the question is one for him to decide."

Officials in the police department said, "It's probably better if the students don't have beer near them, although there is no problem."

#### Junior Weekend Petition Deadline Is Extended

Deadline for submission of petitions for Junior Weekend co-chairmanships has been extended to Tuesday, February 26, Marge Cowlin, president of the junior class announced Thursday. Petitions must be submitted to Miss Cowlin at the Kappa house. All petitioners must belong to the junior class. One man and one woman will be selected for the cochairmanship.

Petitions will also be accepted, Miss Cowlin said, for committee chairmanships.

# Seniority Protection

The Oregon branch for discharged military pilots has recently been formed and elected Calvin grats . . . We hear that a pair of pus green, stood no more upright W. Sargent, former ATC lieutenant, as its head. The Military Pilots association was established last November and is now banded throughout the country. Its purpose is to establish and protect the seniority rights of discharged military pilots.

At present milltary pilots receive no rating for time spent in flying while in the service, according to Sargent. While both military and civilian pilots were doing the same jobs during the war, he declared, civilians were the only ones receiving credit towards seniority.

Sargent, a Eugene resident, was discharged from the service last Saturday. He has been in the army since 1942 and with the airlines a year and a half.

At present he is instructor for the Chenault Flying Club at the Eugene airport. This club has been established since June 1945.

Sargent can be contacted at his home at 1825 Onyx street, telephone 1953-M, or the Eugene airport, telephone 4067-M.

### Red Cross Appeal

WANTED: Men and women students interested in working on the campus red cross drive. Jobs are open for representation and art work. Interested students should contact Deneva Davis at University house of phone 2884.
