

Grid Teams Chosen for Opening Squad Game Here Friday Night

Each Boss to Tell Starting Lineup Today

Coach Tex Oliver literally "chose up sides" for his spring football squad yesterday as he readied his huge 1946 grid team for the intra-squad opener tomorrow night. The entire squad was split into two sections—one section receiving green jerseys and the other yellow.

With another workout scheduled for this afternoon and several men unable to play Friday night, there may be a few changes, but the bulk of the squad is expected to wear the same jerseys as issued yesterday.

An official announcement of the personnel of the two teams with their starting lineups is expected sometime today. It is expected by the sideline followers of the spring workouts that the number one backfield and probably the number one line will start for the green eleven.

If this proves true, smooth running Jimmy Newquist, veteran of prewar Webfoot grid teams, will start at the tailback or left half position. Teaming up at fullback with Newquist will be Walt Donovan, speedy frosh star who led the PCC in scoring last fall.

The other two spots in the green backfield are expected to go to Bill Abbey and Sam Ramey. Abbey is a letterman from the 1945 eleven, and plays quarterback. Ramey will display his talents from the right half post.

Sideline dopesters are less certain of their choices for backfield starters on the lemon squad. A good guess, however, may include Bobby Reynolds, slippery hippered runner from last year's squad at the ball carrying half, with Ray Blatchley, another Webfoot gridder of several years back, at fullback. Speedy Aubrey Van Loo may get the call at the right half slot if he is in good shape, with Joe Hall at quarter.

Webfoot followers may recognize Oregon grid greats of former years in officiating uniforms Friday night, too. Bob Hendershott, a former Oregon pigskin star is expected to referee, while Ross Car-

Cougars, Huskies Try For Coast Ski Honors

NORDEN, Cal., April 17—(UP)—The outstanding college skiers of the west will compete here on Saturday and Sunday in the renewal of the annual Vanderbilt Memorial ski meet.

The entries include University of Washington, Washington State, and Puget Sound.

Relay Officials Set, Call for Good Weather

The Hayward Relays Friday and Saturday is going to be the largest of the past eight relays in more than one department. Besides some fifty high schools and hundreds of athletes accepting Coach Bill Hayward's invitation to sport their speed to local track enthusiasts, the list of officials is a staggering one. Fifty-three judges, composed of civic leaders, university luminaries, and Oregon athletes, are ready to see this year's relay is smoothly run.

With the majority of red tape out of the way, Colonel Bill is anxious to get the meet underway and hopes that the recent spring weather holds, insuring a perfect meet.

ter, a former Webfoot lineman and later a professional grid star, will umpire.

Other officials will be familiar to local fans as well, with Hank Kuchera, coach at Eugene high, slated for the field judge role, and Ray Hendrickson, former University high coach, appearing as head linesman.

Two former Oregon coaches will also be on the program. Skeets Mangerud, former backfield coach, will serve as timekeeper, and Shy Huntington, coach of Oregon's Rose Bowl team of the World War I era, will act as announcer.

Eugene Stores Donate Prizes For Winners

Al Cohen ran off with an armload of "first" prizes yesterday at the Northern Division baseball opener between the Cougars and the Webfoots.

The second baseman took one prize in the first inning when he came through with Oregon's first assist of the day to win a hair cut from C. W. Elliott. He followed this in the second inning by stealing the first base and receiving a bottle of Hi-grade after shave lotion from Keith's University Drug and a hamburger and milkshake from The Falcon. Cohen also batted in the first Webfoot run, thereby winning a haircut from the Kampus Barber Shop.

Spike Johnson, Oregon first baseman, copped two prizes, both shoe shines from the Kampus Shoe Shine, when he received the first Webfoot walk and later scored the first run for the Hobson men.

Other "first" winners were—Bob Santee, first single, one cleaning and pressing job from the Best Cleaners; Don Dibble, first putout, one lunch from the Big Apple Cafeteria; Don Kirsch, first strike out, one corsage for the best girl from Archangeau's Florist; Jim Norbell, first error, one tube of Fatal Apple Lipstick from the Westgate Shop.

Sig Ep Senators Down Chi Os 7-3

The Sig Ep Senators downed the Chi O Cubs 7-3 in a five-inning softball game at Sig Ep field. The Cubs pounded across several runs early in the contest, but failed to throttle the Sig Ep bats as the millrace boys came back to slug out the victory.

UO Netters Open Today

This afternoon at two thirty the varsity racquet wielders of the Oregon campus meet Willamette for the opening non-conference match of the 1946 season.

The elimination matches over, the team has been selected. The ladder now reads: No. 1, Jim Zeiger; No. 2, H. Philan; No. 3, Stan Anderson; No. 4, Ed Uglesich, and No. 5, Bob Carey.

Therefore for the game with Willamette today, acting coach Zeiger has placed Uglesich and Carey in the number one and two positions, with Van Zandt, Stampfer and Baird, reserve members

playing three, four and five. The first doubles team for today's matches will be Zeiger and Wilbur, the second Philan and McBride.

This coming Saturday Oregon State comes to Eugene for the opening of the Northern Division conference.
