

Exhibit Portrays 16 Soviet States

Eugene is the third city on the Pacific coast to view a pictorial presentation of the 16 republics of the Soviet Union, Dr. Berthold C. Friedl, associate professor of Romance languages and Russian history, said Saturday. The exhibit is on display on the second floor of the University library.

The large posters and pictures with accompanying explanations in Russian and English were obtained from the Los Angeles public library where they were previously on display. The pictures have also been displayed in San Francisco.

The exhibit shows how the Union of Soviet Socialist Republics has developed from an agrarian country with a weakly developed backward industry into a land of modern industry. It presents an excellent picture, Dr. Friedl declared, of the more than 180 different nations, nationalities and tribes of the Union.

The USSR consists, Dr. Friedl explained, of 16 voluntary federated and equal Soviet Socialist Republics. Each of these republics are presented in the library exhibit.

University Choir To Give Concert

Barbara Ward, senior in music, will be featured as vocal soloist with the University Vesper choir May 5 when the 40-voice women's choir presents its first spring term service.

Miss Ward will sing "Beautiful Savior" by Christiansen accompanied by the choir. Other numbers to be sung by the group are "Let Thy Holy Presence" by Tschernokoff, "All Glory Laud and Honor" by Teche Cain; "Jesus the Very Thought of Thee" by Wald; and "Psalm 150" by Cesar Franck.

Appearing with the choir as organist will be Patricia Heinrichs, sophomore in music.

Vesper services are held in the music auditorium at 4 o'clock. Services spring term will be May 5 and May 26.

Newman Club Meet

Notice to all Newman club members: Election of officers will take place at the regular meeting, Tuesday, April 30.

FRANK L. CHAMBERS

F. L. Chambers Dies in Eugene

Frank Leslie Chambers, 80, a member of the University Alumni Holding company, and for many years active in alumni circles, died yesterday morning following a two-hour illness. Chambers, who has been in poor health for more than three years, lived at 1059 Hilliard street.

Chambers was born November 8, 1865, in Oregon, Missouri, moved to Dallas, Oregon, in 1884, where he spent three years in the hardware business. He moved from Dallas to Eugene in 1887, and has been a continuous resident of the town for 59 years. He was owner of Chambers and Sons Hardware and Farm Implements in the town, and has been active in Eugene business for a number of years.

Hardware Business

In 1904, Chambers retired from the hardware business, opening the Bristow-Chambers bank with Darwin Bristow. The bank was later consolidated with the First National bank, and Chambers served as vice-president until recently.

As a member of the Alumni Holding company, an organization for the development of a student union building, Chambers contributed materially and was responsible for educating several students.

Former president of the Lane county chapter of the American Red Cross, Chambers was also a Kiwanis member, a member of the Elks, and of the Round-Table.

Gilbert Tribute

In a tribute to Chambers, James H. Gilbert, dean of the school of liberal arts, said, "Frank Chambers has always had an active interest in the University of Oregon, giving much of his time and attention to problems on the campus. He had a special interest in development of the physical plant of the University, and in relationship of the University to the business and social life of Eugene."

He was married in Eugene in 1891 to Ida B. Hendrick, deceased and in 1904 married Edith Kerns, who survives him. Also surviving are a daughter by his first marriage, Mrs. Mary C. Brockelbank, his granddaughter, Mrs. Charles Gray, the former Leslie Brockelbank, a student at the University; a brother, Fred E. Chambers, Eugene; and six nieces and nephews, children of the late Charles N. Chambers.

John Stehn Judges Olympia Band Contest

John H. Stehn, director of the University band, traveled to Olympia, Washington last Saturday, where he acted as a judge in the Southwest Washington band contest.

Besides judging, Stehn also directed the Southwest Washington Festival band, which was made up of 150 members selected from many Southwest Washington high school bands.

4312 Now Registered At Oregon Schools

At the end of the second week of school 4312 students were registered at the University and at its Portland school of medicine and dentistry, according to Clifford L. Constance, assistant registrar.

The University proper had 3786 enrolled, including 1694 veterans, compared to 1825 a year ago. The dental school, which had not yet been incorporated into the University last year, has registered 288 men and 16 women, 187 of whom are veterans.

A decrease in registration was noted at the medical school. Last year 272 men and 270 women were enrolled, compared to 43 men and 179 women at present, including 22 veterans.

The overall increase is 82 per cent, 248 per cent more men and 15 per cent women.

PNCC Ballot Results To Be Released Soon

Results of the ballots circulated on the campus last week to ascertain student opinion concerning the resolutions reached at the Pacific Northwest College Congress will be released later this week, according to Lois McConkey, representative to the congress.

At this time the report will be sent to the Portland League of Women Voters, who will decide the college representatives to be sent to the meeting of the United Nations security council on the basis of these reports.
