

Beavers Favored Over Ducks

Duck Nine Rests After Pilot Win

Oregon's league-leading nine was resting yesterday before making preparations to meet the invasion of the second-place Oregon State Beavers Saturday afternoon at Howe Field.

Tuesday night at Portland the Ducks made it good out of six for the season against the Portland Pilots by backing the shutout pitching of Hal Saltzman and Dick Lehl with a 10-hit attack on Vince Pesky which was good for a 5 to 0 victory.

Bob Santee had a field day off the slants of Pesky. The hard-hitting left fielder banded out a triple, a double and two singles in five trips.

Spike Johnson was another thorn in Pesky's side, collecting a two-run triple and a single in five times at bat.

The Pilots could not solve the deliveries of Saltzman and Lehl and were held to three hits, all off Saltzman. Only in the fourth inning did the Pilots threaten. After two singles, Saltzman struck out Dick Carlascio and forced Pesky to fly out.

Saltzman went seven innings and Lehl hurled the last two and retired three of the six Pilots that faced him on strikes.

Coach Hobby Hobson made one switch in his regular lineup. Jim Norvell, who has held down the third sack most of the season, moved out to center field and Walt Lozoski came in to cover the hot corner.

Oregon scored its first run in the third inning when Walt Lozoski was safe on an error, moved over to third on Santee's double, and scored on an infield out.

Four runs counted in the seventh on singles by Walt Kirsch and Lozoski, a triple by Johnson and a pair of Portland bobbles.

The game was the first played under the lights by the Ducks this season.

Duck JVs Split With Pacific

Pacific and the Oregon junior varsity split a double bill Tuesday afternoon at Forest Grove. Pacific nosed out the junior Ducks, 5 to 4, in the opener and the Webfoots eked out a 7 to 6 win in the nightcap.

Al Sigler's homer in the last of the ninth earned Pacific the win in the first game. Lyle Pettyjohn, "borrowed" from the varsity, was the losing hurler.

Extra base hits by Lou Hlapsich, Don Dibble and Boyd Gibson accounted for two runs in the ninth inning of the second game and broke a 5 to 5 tie.

Pacific scored once in its half of the final frame, but Al Paulson put out the fire before the home club could score the tying run.

R H E
Oregon 010 101 010—4 10 1
Pacific 000 120 101—5 14 4
Pettyjohn and Reed; Lyle and Fontaine.

(Second game) R H E
Oregon 001 100 302—7 13 1
Pacific 001 000 401—6 15 4
Paulson and Reed; G. Reed and Fontaine.

Coeds Awarded National 1944 Wire Swim Meet

By MARY ANNE HANSEN

Due to the wonderful showing of the University of Oregon coeds in the last national intercollegiate swimming meet, held coeds in term in Gerlinger pool, Oregon has just been notified by Lorraine Larson of Minnesota, last year's sponsors, that the 1947 telegraphic meet will be sponsored by our own campus.

This came as a complete surprise to the swimming team who due to their splendid showing placed second nationally. This meet will be conducted from February 15, 1947 through March 15, 1947 which isn't so far away when fall term rolls around. Members of Amphibian will conduct the entire meet nationally.

Recently installed into WAA is the Oregon Archers Guild headed by Mary Hall. This new energetic club is a re-birth of the former archery club of some few years back and will enter into the spotlight by competing next week in its national telegraphic tourney. The club at present consists of some eighteen members.

The golf intramurals have at last started rolling. Match play begins this week between Betty Crabb and Jada Fancher, Thelma Chaney and Dona Chapman. Second rounds must be completed by May 27 and third round play by June 3. The matches are under the leadership of Helen McFedridge, sport head.

The softball tourney is coming to an end with the last league games being played this week. On Monday the semi-finals will be played with the finals being held probably on Tuesday followed on Wednesday by the all star game. The tournament has had good weather this term with few defaults en-

tering the picture to alter the schedule set up by Ann Stevenson, manager.

Tennis results seem hard to find... so far the Thetas have defeated the Pi Phis with a 2-1 score, the Suzy coeds have then tripped the Thetas by the same count and the Alpha Chis downed the Pi Phis also 2-1. In the winners circle with one game won apiece are Theta, Suzy, Alpha Chi O, Alpha Gams, and Tri-Delta. The Alpha O's and Pi Phis are keeping company with two losses apiece to their credit. Barbara Patterson heads this sport activity.

Holding installation of officers Wednesday were members of the Amphibian club with Beverly Bennett being installed as president replacing Betty Crabb, Mary Anne Hansen installed as vice-president replacing Bev Bennett, and Lynne Langa taking over Ada Anderson's position as secretary-treasurer. Miss Margaret Brewtser is the group's advisor.

Ex-LA Prexy Dies

LONG BEACH, Cal., May 15.—(UP)—Joseph Henry Patrick, 80, former president of the Los Angeles baseball club, died here today.

UNDERDOG BOSS. Colonel Bill Hayward's University of Oregon track team will be the underdog today at Corvallis when the Ducks and Beavers tangle in the 37th dual meet.

37th Annual Track Meet On Tap Today at Corvallis

By AL PIETSCHMAN

The 37th annual Oregon-Oregon State track meet gets underway today in Corvallis at 3:00 p.m. The yearly "feud" meet promises to be a spectacular event and the outcome in the air until the final race, the mile relay, is completed.

Coach Doc Swan of the Beavers is pessimistic about the result of the team and is again complaining about the liabilities of his team—a team that knocked off a powerful Idaho cinder squad Saturday. Glancing back a couple of weeks, records show that it was the same Swan who bemoaned his green squad prior to journeying to Oregon for the Oregon-OSC relays. The "Bemoaner" saw his team win 6-2.

Remembering this, Colonel Bill Hayward left an encouraging "Remember the Alamo" message for the boys in the track locker room yesterday.

In the past weeks Colonel Hayward has brought his green squad a long way. Although they lost to Washington State Saturday, the Ducks are considered one of the up-and-coming teams in the Northwest. The only handicap the team has at the present time is its weakness of manpower in some events. The Ducks have lost many valuable points in recent meets in the shotput, pole vault, and distance runs. Hayward has a potential point getter now in pole vaulter Frank Deinz. Deinz was recently declared eligible for competition and his presence on the team today will bring in added points.

The Portland papers give a slight edge to the Ducks in this clash, but checking a recount of the events and possible winners fails to support this contention.

Jake Leicht, Oregon's top sprinter and the best in the conference to date, and Carl Maxey will be pitted against Humphrey Bob Laidlow and Don Swamphrey. Jake should win both the hundred and 220 as his times are far better than either Laidlow's or Humphrey's. In fact, Maxey may bring home the bacon with seconds in both of these 'Lightning' Leicht all season. On the conservative side, chalk up 12 for Oregon and 6 for State in the 100 yard dash and 220.

It will be Andy Swan and Ernie Schauer's jobs to crack in for points against the powerful Beaver quarter-milers, O. B. Hughes, Dagget and Coles. These three speed-merchants have posted fast times and Hughes has hit a :49.7 quarter this season. Swan has clipped off a :50.3 with Schauer behind him a second. Oregon 3, State 6.

Dependable Walt McClure should bring in a first for the Ducks in the half mile against State's half-miler, Bob Cherry. Johnny Joachims has been switched to the mile for today's run, leaving Oregon weaker in the 880 run. Figure five for Oregon and four for State.

The Beaver milers and two milers should bring in more points for Swan in both the mile and two mile. Hayward has George Hammock and Joachims in the mile and Hugh Stapleton and Paul Smith in the two. The Ducks have been weak all season in these distances. Write in six points for the Webfoots and 12 for State.

Thanks to the steady improvement of Wyn Wright and Dave Edwards, Hayward can smile when thinking of the hurdles. Wright should produce a first in the highs and a possible first in the lows. Credit Oregon with 12 and State with 6.

Bill Beifuss, Tom Garrity, Bill

Oregon Coeds Cop Second in U.S. Swim Meet

The University of Oregon coeds paced their swimming team to second place in the major school division and seventh place in the major-minor division in the national telegraphic swimming meet held last winter term under the sponsorship of the University of Minnesota.

In the major college division which includes schools with an enrollment of 1000 students or more, Penn State was first, Oregon second, Purdue third, and Michigan State fourth.

In the major-minor schools combined, Penn Hall placed first, followed by Hawaii of the western region third and Oregon in seventh place.

The United States was divided into four regions: western, eastern, southern, and central. Hawaii, (Please Turn to Page Seven)

Uclan 'Varsity' Wallops Reserves

LOS ANGELES, May 15.—(UP)—The University of California at Los Angeles Blues—mostly first strings—trounced the reserve spring practice football game.

A 57-yard run, aided by a lateral pass, was the feature play of the day. Blue left halfback Ernie Johnson romped 40 yards to the Gold 17-yard line, where he stumbled and lateraled to tackle John Nikcevic, who ran the remaining 17 yards to score.

Bob Waterback, Cleveland Rams quarterback and former UCLA star, was inserted into the game briefly and threw three successive completed passes.

Kydd, Lou Robinson, Dick Shelton, Ed Sanford, Frank Morris, Cliff Johnson and Frank Deinz are going to carry the load for Hayward in the field events.

Beifuss and Garrity should drag in six points in the high jump to State's three. Robinson, Kydd and Shelton will be the javelin tossers and between them ought to earn six to the Beaver's three. Sanford and Morris are in the discuss and might get one point to the Orange's probable eight. Morris, Johnson and Beifuss will raise Oregon's stock in the broad jump. They should get six and State three. Deinz is in the pole vault and ought to capture three more points. Swan's shotputters are practically assured eight or nine points.

The Beaver's relay team has been invincible all year—give them five points for a first.

Adding the "we're guessing" score finds State ahead with eight firsts and 71 points; Oregon listed with seven firsts and 59 points.
