

University Delegate Maybe Sent To Swiss Student Conference

The definite possibility that a University coed will be selected by the National Intercollegiate Christian Council to represent the north-west region at the European conferences this summer, was announced this week. This delegate would attend the World Student Christian Federation conference to be held in Switzerland August 22-30, and also the International Student Service conference to be held in Cambridge, England, July 22-29, under the sponsorship of the NIIC.

Summer conferences of the British Student Christian movement will take place before and after the

WSCF meeting and American visitors will be welcome. Also being offered to this delegate is a travel trip through Russia, and if the dates can be changed the individual may be able to attend the "Call to the Prague Congress" which is scheduled August 17-31.

Funds Needed

Nominations for the position of delegate have already been sent in to the national office by the regional board, according to Miss Lois Greenwood, executive secretary of the University YWCA. Securing the necessary funds to make this trip is still the item holding up the final decision.

Last summer the Combloux conference offered the first opportunity for renewing personal friendships and resuming international student relationships severed since 1939. Maintaining an essentially continental character, it brought together students from the liberated countries of western Europe, students from Great Britain and representatives from neutral countries such as Sweden and Switzerland. Eastern Europe was absent, as were all but for a few individuals from the United States and Canada.

Objectives Listed

But during the year conditions have changed. Europe is no more isolated and a really world-wide conference can be planned. The objectives set up for the Cambridge conference are: to further the cultural regeneration of a world which technical progress has unified, to support those young forces in the academic world which work toward a renewal of the universities as living centers of culture; and

to see the long-range responsibilities of ISS beyond the immediate relief tasks to act as a link between students now separated by prejudices and distrust.

Program

The program will attempt to discuss and analyze in the light of concrete experiments now under way the trend appearing everywhere in Europe towards the development of stronger and more integrated student communities as the foundations of a renewed university life.

The program is divided as follows:

1. New patterns of university community.
 2. ISS program of activities.
 3. NAM in modern society.
- Some 150 delegates will be present representing at least 20 countries. Twenty-five delegates will be sent from the United States.

CLASSES NOMINATE

(Continued from page one)

Junior Class

Special class meetings for the purpose of nominating candidates for class officers will also be held today. Greeks will nominate Jada Fancher, Gamma Phi Beta, and Charlotte Wicke, Alpha Delta Pi, for the first and second positions, respectively, when the junior class meets in Room 3, Fenton hall at 5 p.m. Independent candidates will be Bill Setzer, president, and Jerry Mosby, vice-president.

Sophomore Class

The sophomore class will meet in Room 207, Chapman hall at 4:30. Independent candidates Cliff Brooks and Joyce Neidermeyer will be nominated for president and vice-president, respectively. Greek candidates will be Bob Daggett, Sigma Chi, class president, and Bobbie Fulmer, Alpha Omicron Pi, vice-president.

Reed Grasle and Marge Weeks, Delta Zeta, will be candidates for sophomore officers on the Greek ticket, while Cliff James and Colleen Mariott will be Independent nominees. The meeting will be in Room 3, Fenton hall at 4 p.m.

Co-op Board

The Independents will nominate Louis Knight for the position of freshman representative on the Co-op board, and Ray Johnson and Sylvia Mitchell will be the candidates for sophomore representatives on the board.

Newman Group Set For Sunday Picnic

Newman club is sponsoring an all-day picnic for its members and their guests Sunday, May 19, at Fiji meadows. The day will start when a truck and cars leave the Side at 10 a.m. A softball game will be played before lunch, at 12:30. Swimming and more games are in order for the afternoon. A wienie roast and community sing around a campfire is planned for the evening.

Chairman for the picnic is Donna O'Brien, recently elected vice-president of the organization. Committee heads are Vivian Vallad, posters; Ted Loud and Norm Evonuk, transportation; Vincent Scotto, entertainment; Evelyn Diamond, food; and Kit Wilhelm, publicity.

Those who did not register at

Tuesday's meeting can sign up by calling Donna O'Brien, Ext. 283; Joe Conroy, 382; or Kit Wilhelm, Ext. 388.

Father L. T. Eckstien temporary chaplain at Sacred Heart hospital delivered a short address on the relationship between beliefs and actions.

ANNUAL BA MEET

(Continued from page one)

Chain stores will be discussed at 3:30 in the YMCA Lounge by Wellington Switzer from the Eugene branch of Montgomery Ward.

The last topic of this year's conference will be security brokerage. This meeting will be held at 3:30 in the YMCA recreation room and the principal speaker will be Dean Hayes of the Foster-Marshall company in Eugene.

The conference is being sponsored by the school of business administration and is the first to be held since before the war.
