

Seniors Nominate Miss Fancher, Setser For Next President

**Charlotte Wicke,
Jerry Mosby to Run**

Four Greek and Independent candidates for officers of the Class of '47 were nominated at a class meeting Thursday which lasted less than 10 minutes.

Jocelyn ("Jada") Fancher, Gamma Phi Beta, was nominated by Liz Gilmore to run on the Greek ticket for class president. A member of Phi Theta Upsilon, junior women's honorary; past member of Kwama, sophomore women's honorary, and president of her house, Miss Fancher has participated in all the activities which membership in those honoraries entails, Miss Gilmore said.

Independent candidate for the presidency is Bill Setser, nominated by Fred Samain. A member of Alpha Delta Sigma, national men's advertising honorary, Setser has served as advertising manager of the Emerald, and worked on committees for the all-campus dance sponsored by ADS. A veteran, he played in a campus band before the war.

Backed by a long list of activities on the campus, Charlotte Wicke, Alpha Delta Pi, was nominated by Dorothy Rasmussen to run on the Greek ticket for the second position. Miss Wicke won the ADPi cup for the outstanding freshman; she is an Amphibian, Red Cross instructor; secretary of heads of houses while a sophomore; is president of her house, treasurer of Sigma Delta Pi, national Spanish honorary; second vice-president of Panhellenic; president of Hui-o-Kamaaina, Hawaiian club; and was nominated for AWS president.

Active in sports, Jerry Mosby will run on the Independent ticket for the number two position. Nominated by Howard Lemons, Mosby is athletic manager of Campbell club, pitcher on the house team, plays intramural golf. As a sophomore, he was president of Camp-

bell club and representative on the Oregon federation. He has worked for the World Student Service fund, the Red Cross drives, and played varsity basketball in 1944.

Ed Allen, ASUO president, presided at the meeting.

TED HALLOCK

(Continued from page one) position on the ASUO ticket, reminded students that true representation is more important than rivalry between factions in an interview Thursday.

"There are thousands of students living on and off the campus with no bonds to tie them together, but who, nevertheless, need to be represented in the student government," Hallock said. "I believe that the proposed congress plan should be modified to retain some of the features of the executive council with greater representation to all students."

Hallock also favors the inauguration of a series of social pro-
