Students wishing to take out-of-town guests to the Patrice Munsel concert on June 14 should contact the Eugene Civic Music association office and arrange for guest privilege tickets, according to Dick Williams, educational activities manager. There will be a small admission charge for these tickets.

Arrangements may be made by phone by calling either 1868 or 3480. Williams urges that students call several days before the concert to avoid last-minute rush.

This privilege is especially for graduating seniors whose parents will be on the campus at that time, but is open to all students at the University.
