In addition the junior or senior ROTC cadet draws his uniform or a uniform allowance of \$87 for the two-year period.

Further compensation is earned by the student's training for six weeks in summer camp between his junior and senior years.

Legislation now pending may increase the yearly ration allowance to over \$500.

Reservicemen of the marine corps and navy may be accepted by the department of military science and tactics for enrollment in the advanced army infantry and air corps programs.

school is held at 9:45 a.m. The young people will meet at Westminster House, 1414 Kincaid street for an evening meeting.

SIDE PATTEN

by

Bob Whitely

"Honest John" Schaefer, genial proprietor of the local snake pit . . . oops, College Side Inn, has assured the dyed-in-the-wool coffee drinkers that as soon as he can obtain a government surplus rendering machine, the donuts again will be plentiful. The only thing that holds up production is the necessary fat. Dieting John? In spite of the fact that the St. Helen's hair farmer could find fertile fields to conquer in Sigma Chi's Gordie Hoy, his highness is still showing his old pre-war pigging ability at the Side. Lessons to freshmen by appointment only. Theta Carolee Longwood is now plying her tall drink of water with seven course meals, whereas less than a month ago she was under the deluded impression that a stove was used primarily to heat the kitchen! Now if she can only Mallum that pressure cooker without blowing up the joint!

Be sure to listen to the wireless transmission of Oregon taking the Bears today, and after the game c'mon down and sup a coke at the Side. May I have my coffee now John? See you Tuesday.
