

Planning Class Attends Meet

The class on public planning accompanied by Dr. Eldon L. Johnson, professor of political science, left last week for the convention of planning, League of Oregon Cities in Portland. The one-day trip was made for the purpose of attending the morning and afternoon meetings concerned with planning and zoning problems.

Mr. Johnson stated that the department sponsors this trip for a better realization by the student that these problems are illustrative of planning at any level whether city, state, or national.

"We feel," he continued, "that by seeing these problems handled by real persons such as city planning officials, the student may see the vitality of planning and better appreciate its relation to their own lives."

Round Table Invites

A "community round table" will be held at Westminster house tonight from 9 to 10 p.m. Ellen Sutherland, chairman of the group, extends an invitation for all University students to come and participate in the discussion.

A drive for a student union in 1924 brought in pledges for \$219,087.

Campus Bureau Members Picked

Appointment of Kit Wilhelm, sophomore in journalism, and Bob Prowell, senior in physical education, members of the Emerald business office, as University representatives to the Campus merchandise bureau, a national organization, was announced last week by Business Manager George Pegg.

In that capacity Miss Wilhelm and Prowell will concentrate their efforts on promoting Chesterfield cigarettes. Their program will include the distribution of free cigarettes, the selection of a Chesterfield boy and girl of the week, and radio advertising.

House Library Drive Renewed

The house library movement had its first meeting of the year last week. Robert Merz, vice-president, presided in place of Dorothy Lee, president, who did not return to school.

The members heard from Karl Onthank, dean of personnel administration and one of the founders, on the origin of the organization, and from Mary Landry Wasmann, past president, who gave a talk on reading more books, and who discussed the possibility of selling pastries in the library again this year

to raise money for house library books.

Miss Bernice Rise gave a talk on the duties of the house librarian and how the house library movement tied up with all campus interests. Miss Rise then introduced Dr. R. C. Swank, who discussed the benefit to be obtained from good outside reading. The members then adjourned to a social meeting with coffee and cookies.

Vanity Fare

(Continued from page two)
a mistress. Daggett started the club's activities off big with a campaign to elect a junior high school freshman this year's "Sweetheart of Sigma Chi."

It was quite a blow to her modesty when the blind popped up as Sig-

ma Kappa Pat Mathieson was preparing to hit the sack and revealed three Sigma Chis standing just below. We suggest next time the H.U. trio try the Theta house with its bigger windows.

Ginny Woodward, Gam-Fi, caused a minor uproar when she strolled into the libe one evening with a bottle in her coat pocket. Shampoo she told everyone—extra large size.
