A bottle of Roamer to Mrs. Margaret C. Munns, Women's Christian Temperance Union treasurer, for the neatest story of the week. "There is no such thing as good whisky," she said, "but cut whiskies are worse than others." I wonder if she's a member of the American Bar . . . If any of your freshman girls are dissatisfied with your present calibre of eligible males, the freshman prize package of the year is Joe Walker's little brother, Glenn. Some men have it . . . others ain't got it . . . but Glenn is full of it. We asked Pat Thompson, an obnoxious shack rat running loose at the Emerald booby hatch, what could be said good about here . . . before we finished the question she snapped back, "There's nothing good about me," and promptly returned to the business office. "Trapper" Jonathan Veatch has been quite liberal lately with his "coffee treats" at the 10 o'clock shirt at the local caffeine cavern. "My beloved wife, the former Theta Miss Feasley, has been promoted from Grade B to Grade A on the green chain, thereby increasing my daily dole." Who is that girl who has all her faculties showing, and works upstairs in the Co-op? All we can get out of her is a shy . . . Sheila. Late congratulations to Bill and Carol Boone O'Connor on the birth of future Theta material. If she turns out to be as good looking as her mother . . . bug her! Don't forget John Schaefer's sinker machine is out of the INOP class. Delicious production is assured. For all you sweet young things who were lucky enough to be asked to the law school dance, you will experience a new chapter in the book of knowledge . . . and nothing will be deleted. Tuesday is another day.

YWCA Forum To Hear Loper

"Marriage, a Challenge" will be the subject of Dr. Vere Loper's address at the YWCA forum Tuesday, October 29, during Religious Emphasis week.

Dr. Loper is at present filling the pastorate of the First Congregational church of Berkeley, California, a position he has held since 1939. Among his many duties in addition to his pastorate are those of lecturer at the Pacific School of Religion. At the University of California he is lecturer in professor Noel Key's course on "Sex and Marriage," recently described in the Reader's Digest.

During World War II, Dr. Loper was president of the Berkeley war chest and traveled 8,000 miles by air, along with a Catholic priest and a Jewish rabbi, speaking to most of the army personnel on the Aleutian islands.

Dr. Loper now holds the position of president of the Berkeley Rotary club for the year 1946-47 and is national vice-chairman of the war victims and reconstruction fund of the Congregational churches.

He has been selected by the Congregational churches in cooperation with the Federal Council of Churches, to write the "Fellowship of Prayer" for 1947, which is the official Lenten devotional manual of Protestantism in the United States and Canada.

Dr. Loper is a graduate of Gren-

Home Authority To Lecture

Mrs. Elizabeth Steel Genne, who will speak during Religious Emphasis week, is a "practicing housewife and mother" who has given considerable study to the development of personality relationships within the home.

After graduating from Oregon State College she completed her master's degree in student personnel administration, at Teachers college, Columbia university in New York City.

While in New York Mrs. Genne was in residence at the famous International House. For a year following her graduation she was supervisor in the Portland office of the National Youth Administration.

In the summer of 1939, Mrs. Genne traveled in Europe, part of the time with the Sherwood Eddy Seminar, and the remainder visiting in the homes of family in England and friends in Scandinavia. Her itinerary included the World Christian Youth Conference at Amsterdam and the WSSF camp at Nunspeet, Holland.

Mrs. Genne has been president of her branch in AAUW and is active in various parent-training, religious and civic groups. With her husband, Mr. William H. Genne, who will also speak during the week, she serves as co-chairman of the Commission on Christian Family Living. Last year Mrs. Genne was guest lecturer in the orientation course for freshman women at Oregon State College.
