

EMERALD NEWS EDITOR—NEW AND OLD . . .

At right is Bill Yates, sophomore in journalism, who takes over the position of news editor at the beginning of winter term, replacing Herb Penny, left, whose resignation was recently announced.

Morris to Speak On KOAC Review

The regular Monday night broadcast presented over KOAC between 8 and 9 p.m., will begin with the "World in Review" program featuring Victor Morris, dean of the school of business administration, who will give his interpretation of existing situations in the world today.

From 8:15 to 8:45 the "Campus Recital" will present Helen Hudson, pianist, and Janet Whitfield Anderson, soprano, both outstanding students of the University music school. Production of these two shows will be handled by Paul Marcotte.

"Family Incomes" will be the topic of the "World Symposium" group from 8:45 until 9 p.m. This regular program, presented by students from the school of journalism senior editing class, will be produced by John MacDonald.

Westminster to Hold Group Discussions

Westminster house, 1414 Kincaid street, invites all students to attend the morning discussion group led by Dr. Joseph R. Harris, religious director at Westminster, at which time chocolate and rolls will be served. The subject for the discussion will be "Question Jesus Put to Men: 'Do You Believe That I Can Do This?'"

Also on Sunday's program at Westminster is an evening forum from 6:30 to 7:30 led by Mrs. J. D. Bryant, hostess-director at Westminster, which is preceded by a social tea. "An Ex-serviceman Looks at the Church" will be the forum's topic.

The new vets dorm will be open winter term.

Discussions, Doughnut Planned by Lutherans

The Lutheran Student association will hold its regular meeting Sunday from 5:30 to 7:30 at the YWCA bungalow. It will be in the form of a fireside with singing and informal discussions; during which times cider and doughnuts will be served.

All Lutheran students and their friends are invited to come and acquaint themselves with this group.

Advanced Work Given For Degree in Biology

Advanced work leading to the degree of Ph.D. was approved for the department of biology by the graduate council at its monthly meeting Wednesday afternoon in Condon hall.

This is the third science department that has been approved for advanced work since science was reinstated at the University in the fall of 1942. The doctor's degree in science was previously offered in the fields of chemistry and mathematics only.

The educational activities office is in McArthur court.
