

JVs Outbattle Varsity Quint In Ragged Court Scrimmage

Oregon's junior varsity hoop squad, city league titlists, supplied the surprise punch of yesterday's cage session by outscoring the varsity in a 20-minute scrimmage.

The JVs, using a starting lineup of Ed Devaney, Jerry Switzer, forwards; Bob Don, center; and Kenny Seeborg and Fred Wilson, guards; split the varsity defense wide open repeatedly to score quick buckets and end on top in the abbreviated game. Bob Amacher and Luke Bacceleri also helped the JV cause along.

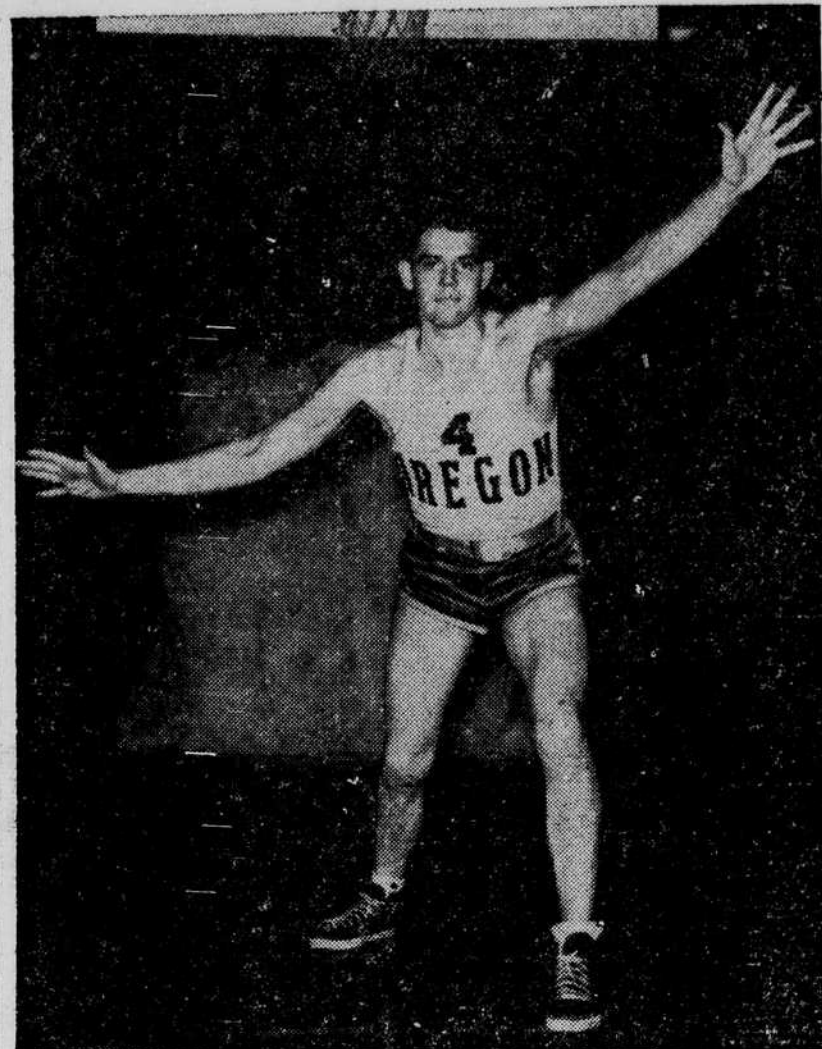

Because of the results of the workout, the varsity quint will hold another meeting with the JVs this afternoon in another endeavor to get the Hobson men in a fighting frame of mind for the Oregon State encounter.

Trying to salvage one game from the Beavers this season, the Ducks have been going through rough practice all this week. Hobson also has made it plain that should any of the JVs show the necessary stuff in the scrimmage this week, they

will get the go-ahead signal to play in the Aggie tilt.

After the half-game workout, Hobson spent an hour with the JVs sharpening up their set-play offense and defensive style.

The varsity will be at full strength for the Beavers next Saturday night, as Roger Wiley is back in the fold and Ed Dick is gradually increasing the tempo of his playing. Stan Williamson, who received a cut over his eye in Tuesday's practice, wasn't hurt seriously enough to put him out of action.

FINALE SATURDAY . . . completing his college basketball career Saturday night against Oregon State will be Webfoot center George Bray. He and other retiring cagers will be honored at the McArthur court rally tonight.

Aquamen Prepare For Final Contest

Tapering off with a light workout today, Oregon's swimming team gets ready to leave by car tomorrow morning for Portland, from where it will take the train to Seattle to the northern division championship over the weekend.

The aquamen have been training strenuously for the big meet, in hopes of copping second behind the University of Washington water squad, who has been the only team to defeat the Ducks this year. The meet, which is to be held in the Huskies' pool, will see all the northern swim teams in action.

Idaho Names Football Head

MOSCOW, Feb. 26—AP)—The Daily Idahoan said today that M. F. (Dixie) Howell, once a star half-back at Alabama, has been appointed football coach at the University of Idaho.

Howell is now assistant coach at Alabama. The Idahoan said he would report here March 10 in time for spring practice, succeeding James A. (Babe) Brown, who resigned last November.

Howell, who was a lieutenant commander in the navy during the war, coached for two seasons at Arizona State Teachers at Tempe.

Ducklings Set For Last Tilt

Coach Ted Schopf continued to round off the sharp spots in the Frosh basketball team in practice Wednesday, preparing the boys for Washington high school of Portland here in the Igloo Saturday afternoon.

Washington needs but one more victory to clinch the Portland prep championship, its fourth in a row. The Colonials have won 13 games and lost two in their prep league.

In scoring the Colonials are at the top, having scored 778 points against 582 for their opposition. Most of this load rests on the shoulders of three men. Tall Ray Foleen, the center, leads the team with 188 points and a little way back are the two spark-plug guards, Jack Keller and Daryl Nelson, with 169 and 152 points respectively.

The Duckling first string will get the starting nod Saturday afternoon. As of old they are Don Kimball and Bill Green at the forwards, black-haired Roger Mockford at center, and Chuck Rufner and Rod Downey at the guards.

Below is the season scoring record as it stands now with one game left for every member of the Frosh team. Regarding the point totals of the top scorers, Schopf emphasized that they should be multiplied by two to get a true picture of the scoring ability of these players. Many of the men, too, did not see action in all of the 25 games played.

Spring Sports On IM Slate

Softball, tennis, and golf are next on the intramural sports program. Paul R. Washke, intramural sports director, plans to begin spring term competition with softball on April 8. Tennis and golf will get under way soon after that date.

Athletic managers of organizations that wish to compete are reminded that entry blanks must be filled out and turned in to the intramural office by Tuesday, April 1, at 4 p.m.

Softball games will be played on a round-robin league schedule, similar to the basketball program just completed. Tennis and golf will be conducted on a single elimination tournament basis. First Baseball Meeting Set by Coach Hobson

Coach Howard Hobson has asked all aspiring baseball candidates to meet with him Monday afternoon, March 3 at 4 p.m. in room 101 PE building.

Hobby stressed that junior varsity and freshman ball players, as well as varsity men should attend the meeting. The purpose of the conference will be to organize and begin spring workouts.

With the basketball season coming to a close Saturday and the first tilt of the baseball year scheduled April 4, Hobson wants to start as soon as possible with his diamond enthusiasts.

Two Teams Planned

Oregon will field two teams this spring—the regular varsity under Coach Hobson, and a junior varsity squad coached by Barney Koch, former Oregon player and Brooklyn Dodger outfielder. No freshman ball club will be organized due to the lack of equipment and playing space.

The varsity will open its non-conference schedule April 4. On the fifth the Webfoots will journey to Portland for an engagement with the University of
