RIDING HIGH . . .

Charlotte Johnson, University Coed, is shown being presented with the keys to a new 1947 Kaiser automobile which she won. Cletus Snyder and Ray Hunsacker of the Coos Bay Pirates are making the presentation.

Charlotte Johnson Streamlines Popularity; Wins '47 Kaiser

There is no reason why Charlotte Johnson, freshman in music, shouldn't be one of the most popular girls on the campus. She is a striking blond, she was selected as a candidate for queen of the Coos Bay Pirate regatta last August, and she was presented a 1947 Kaiser automobile Sunday.

Miss Johnson, sponsored by the Coos Bay Elks club in the regatta contest, sold more regatta buttons than the other candidates to become queen of the affair and winner of the new car.

Ray Hunsacker, chairman of the Pirate's presentation committee, and Cletus Snyder, a representative of the committee, presented the automobile to Miss Johnson during an informal ceremony in front of the Chi Omega sorority Sunday.

Cigarette Shortage Still Acute
 Crowds Queue Up... Millions Try Different Brands... Smoke Whatever They Can Get.

EXPERIENCE TAUGHT MILLIONS THE DIFFERENCES IN CIGARETTE QUALITY!

IT'S ONLY a memory now, the war cigarette shortage. But it was during that shortage that people found themselves comparing brands whether they intended to or not.

And millions more people found that the rich, full flavor of Camel's superb blend of choice tobaccos suited their Taste to a "T." And that their Throats welcomed the kind of

cool mildness Camels deliver.

Thus the demand for Camels grew so great that today more people are smoking Camels than ever before. But, no matter how great the demand, this you can be sure of:

We don't tamper with Camel quality. Only choice tobaccos, properly aged, and blended in the time-honored Camel way, are used in Camels.

Your 'T-ZONE' will tell you...
**T FOR TASTE...
 T FOR THROAT...**

That's your proving ground for any cigarette. See if Camels don't suit your 'T-ZONE' to a 'T'

According to a recent Nationwide survey:

More Doctors Smoke Camels than any other cigarette

When three independent research organizations asked 113,597 doctors - What cigarette do you smoke, Doctor? - the brand named most was Camel!
