

# WAA Cabinet Assumes Duties

New officers and cabinet members of WAA will begin their work this term with the start of golf, tennis, and softball intramural contests. Composing the WAA cabinet are the newly elected officers, heads of the different intramural sports, and representatives from the different women's physical education honoraries.

Pat Mounts, sophomore in physical education, takes over Nadya Ramp's office as head of sports for 1947-48. She will supervise all intramural contests. Helping her this term will be Janice Neely, in charge of softball; Sis Scott, tennis; Betty Jean McCurry, golf.

Working as head of volleyball next term will be Merridith Nichols. Gloria Prescilla will take charge of the winter term basketball tournament. Emmy Anderson will direct the badminton tournament winter term.

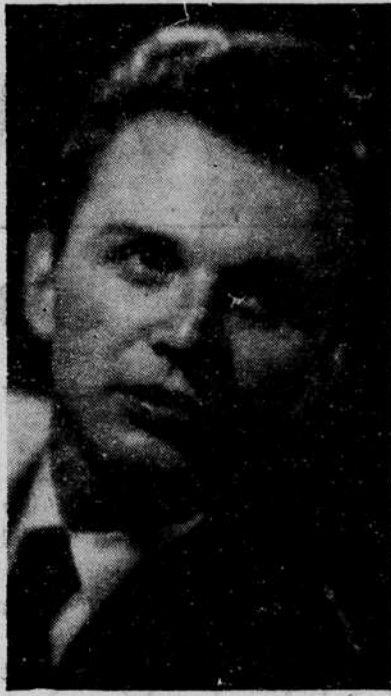

Plans for activities of 1947-48 will be discussed and decided when the cabinet retreats to McCredie springs in the early part of May.

House teams are turning out for softball and are asked to be at all practices in spite of the weather. If it rains, scheduled practices will be held in the outdoor gym and the sports heads stress the importance of all practices.
