Donate Prizes**
By BOB CHAPMAN
Here it is—the list of awards and prizes to be presented to members of Oregon's fighting baseball club in their opening game of conference competition against the Idaho Vandals, this afternoon on Howe field.

Awards to be presented have been donated by Eugene Merchants and procured by members of Alpha Delta Sigma for the occasion. An 8 by 10 colored portrait has been offered by Kennell Ellis for presentation to the lucky Webfoot who clouts the first home run. For the initial triple there is a wash and lube job in addition to an oil change from Daves Mobil Station. A Louie Prima record album from Graves Music and Art will be in order for the first double. Wiltshires has come up with a flashy cigarette lighter for the first single.

There's a carton of Chesterfields in store for Oregon rooters every time a loyal Webfoot connects for a hit. That is providing the game isn't rained out.

To the unlucky fellow who makes the first strikeout a glass of water is waiting for him at the Falcon after the game. Hender-shott's will present a pocket knife to anyone making the initial error in this afternoons opener.

The Idaho squad hasn't been forgotten; the Vandal connecting for the first hit will receive a box of Almond Roca candy presented by the Cafe Del Rey; their first player to cross the plate wins a tie accessory set from Hoffman Jewelers.

Back to the Oregon roster again; a key chain by Swank from Skeies for the first stolen base. Virg Tucker, varsity manager will receive a Fineline Script set from Everybody's drug so that he may tally Oregon victories during the coming season. A special surprise to be picked up at Morrison and Henning is in line for the player catching the first fly in either the infield or outfield. If Prince Hal bats in a run he'll receive a pound box of candy from Seymours.

The initial run is good for two dinners at the Osburn Hotel. The player at bat when Hobby calls for a sacrifice is certain of a "T" shirt from Paul D. Greens. The first assist calls for a merchandise certificate from Endicott's radio. If three Hobsonmen figure in a double play they will have to find a way to split the two milkshakes and hamburgers at North's Drive Inn.

For his fine work in promoting opening day ceremonies Bernie Hammerbeck receives a record of his own selection at the Jaquith Music ompany. That's it: go to it fellows.
