## Warren's Hoopsters Due For Scrimmage

With four days of practice under their belts, the varsity basketballers will hold their first practice scrimmage this afternoon at 4 p.m. in McArthur court. Coach John Warren announced that he would divide the 33-man squad into groups, with each set to play 20 minutes.

Yesterday's session was spent in fundamental drills, and for the first time, the hoopsters worked on fast break variations, a style which they have emphasized throughout the last few years.

## USC Trojans Liked Over Cal

New York, Oct. 23—(UP)—The terrific Trojans of Southern California ruled by a three-point choice tonight to put one foot in the Rose Bowl by sending the Golden Bears of California down to their first defeat in college football's game of the week.

California vs. Southern Cal is the big one, on the coast and in the nation, but interest also was high in unbeaten SMU's invasion to tackle UCLA, whose 2-0 mark in the Pacific Coast conference either will be tied by Cal or surpassed by Southern Cal, unless the latter two play a deadlock. The Uclans are a 1-1/2 point choice over SMU.

Making the trip were Ernest W. Babb, Clark T. Coffey, John P. Sanders, Harry Ladas, and Norman L. Rhodes.

## Frosh Rally Squad Nil, Says Yell King

No freshman rally squad will be organized this year, Yell King Johnny Backlund announced yesterday.

Too few events are scheduled in which a freshman squad would participate to warrant its organization, he said, pointing out that it would be necessary for them to furnish their own uniforms.

Last year was the first time such a squad had been organized.

# IM Volleyball Men End Second Round

By BOB REINHART

Volleyball entered its second day of intramural competition yesterday afternoon at the P.E. plant, as six more squads battled their way into the winners circle by spiking out convincing wins over their opponents and pull along side the winners of the previous day in the chase for the coveted volleyball trophy.

Displaying much of the same ability that carried them to the semi-finals of the intramural football race, Theta Chi hammered out two straight games over the Campbell club, scoring 15-11 and 15-8 victories, respectively. The second game was never in doubt as the boys from the hilltop grabbed an early lead which they never relinquished. In the first game game Campbell club rallied in the waning moments and all but closed the gap, however the Theta Chis proved their worth and posted the winning margin to gain the triumph.

Meanwhile, on the opposite court, Minturn hall was hot on the victory trail as they walloped Chery hall twice in succession, 15-9 and 15-3 to notch their first win of the season.

Recovering from an early deficit, the Phi Sigs bounced back to thoroughly throttle a hustling gang of Nestor hallmen 15-9 and

15-5. In the opening game, Nestor jumped into a six point margin on the strength of a terrific net game. However the Phi Sigs soon found themselves and made up the difference to win handily.

Delta Tau Delta also exploded their scoring punch by dumping Phi Kappa Psi 15-6 and 15-1. The Delt proved to be too much for their smaller opponents as they jumped into an early lead in both contests and were never headed throughout the tilts. The victors also displayed a brilliant court game in setting up many shots.

The Fijis, displaying a brilliant spiking game, found the going none too rough as they battered out two consecutive wins over the Pi Kaps to nail down their first triumphs of the year by posting identical victories, 15-6 in both games. The winners never trailed, as they grabbed an early advantage and never relinquished it.

In final games of the day, a powerful squad of Kappa Sigs registered an easy two-game win over McChesney hall by tallying 15-7 and 15-6 wins in each contest.
