

Changes Mark Homecoming Parade List

Alterations to the list of living organizations working together on the Homecoming noise parade floats were made Thursday at a meeting of the noise parade committee and representatives of the vets' dorms. The changes were necessary because of the large number of students living in Vets' Dorm I and Vets' Dorm II.

The revised list is as follows:

Alpha Chi Omega with Thacher cottage and Stitzer hall; Alpha Gamma Delta with Sigma Alpha Mu; Alpha hall with Pi Kappa Phi; Alpha Omicron Pi with Sigma Phi Epsilon; Alpha Phi with Merrick hall and Minturn hall.

Alpha Xi Delta with Yeomen and Nestor hall; Chi Omega with Sigma Alpha Epsilon; Delta Delta Delta with Theta Chi; Delta Gamma with Omega hall and French hall; Delta Zeta with Alpha Tau Omega.

Gamma hall with Viillard hall; Alpha Delta Pi with Phi Delta Theta and Pi Kappa Alpha; Gerlinger hall with Lambda Chi Alpha and Phi Kappa Psi; Hendricks hall with

straight over the Yoemen as they completely throttled the "Y" men 15-8 and 15-10.

Sammies Crack SN

Sigma Alpha Mu's "B" squad chalked up their third straight as they pulled the better two-of-three games out of the fire against a battling gang from Sigma Nu. The Sammies took the first game 15-7, and were never headed. In the second, the Sigma Nus came from far behind to cop the decision by nailing down a narrow 16-14 victory. In the final game the Sigma Nus rallied to within two points, but the Sammies spiked for the winning tally.

SX Victorious

The final game of the afternoon found Sigma Chi putting the skins under Campbell club as they turned in 15-11 and 15-5 wins to take their third consecutive lower division triumph. The Sigs built up a seemingly safe margin in the first game, but saw it melt away as the Clubmen came from behind to close the gap to within one point. In the second tilt, the outcome was never in doubt.
