

Webfoots Slash Pilot Quintet

Hoopsters Win, 76-30

PORTLAND, Ore., Dec. 4—(UP)—The Oregon Webfoots galloped to an easy 76 to 30 win over the Portland university Pilots here tonight for their fourth pre-season basketball triumph in a row.

Coach John Warren's fast-breaking hoopsters hit the hemp from all angles and led 35 to 14 at half-time. Forward Jim Bartelt led the Oregon scoring with 14 points.

USC Coach Pronounces Team Set

Los Angeles, —(UP)— Coach Jeff Cravath of Southern California, came up with his theory on how to beat Notre Dame Saturday: "To heck with defense," he said. "You can't win a ball game with defense."

Although he has no Johnny Lujack, the Trojan coach does have a couple of men who can rifle a ball—George Murphy and Jim Powers. The former was throwing tricky, short passes while the latter heaved them long and right into the arms of his receivers.

Sending his varsity against the junior varsity and fourth string, Cravath was gratified as the first team marched down the field time after time.

Backs Look Good

The drives were sparked by veteran back Mickey McCardle who broke loose for numerous long gains. McCardle's drive was matched by the running of Don Doll, Gordon Gray, Ted Tannehill and Bill Betz as they clawed their opposition aside.

"Of course that's not Notre Dame in front of them," Cravath admitted, "but the boys are really pitching. Win or lose, there's going to be a whale of a ball game Saturday."

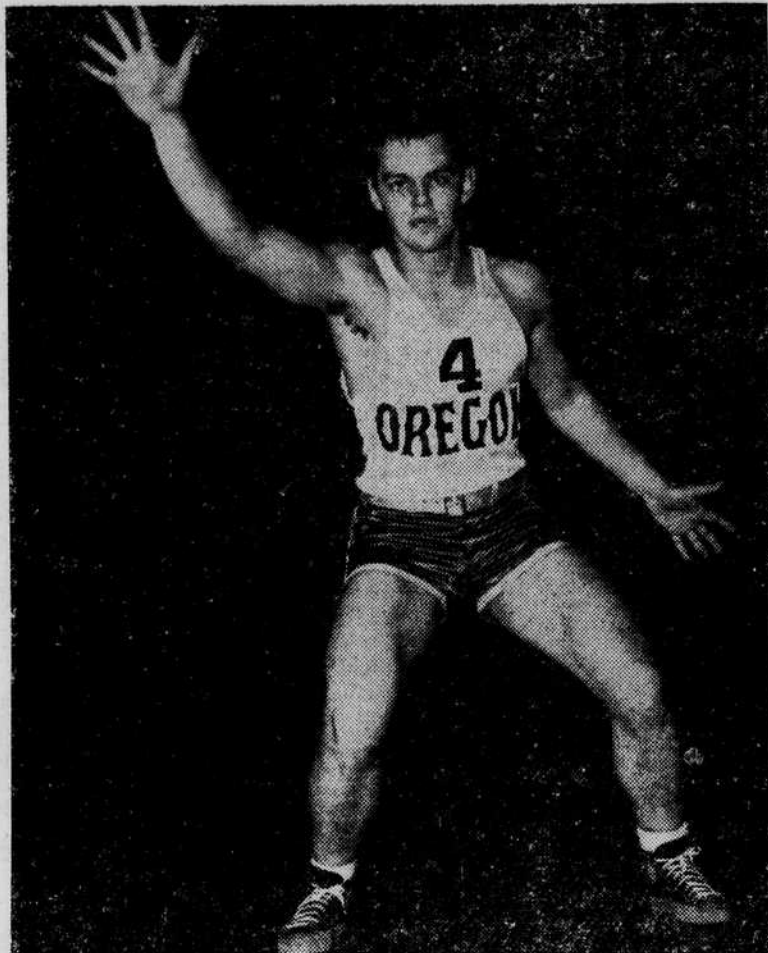

Ski Club Schedules Meeting to Set Trip

The University Ski club will hold a short organizational meeting tonight at 7 in 105 Oregon. Stan Arthur, newly elected president, has announced plans will be discussed for a ski trip in the near future.

This year the club is particularly interested in students who are just beginning or would like to learn to ski, Arthur said.

In connection with this Miss Dorothy Outzs, girls' skiing class instructor in the PE department, will speak about the various equipment which will be required for her classes and any other beginners.

High-Scorer

Jim Bartelt, two-year letterman forward, paced the offense-minded Duck basketball attack against Portland university last night with 14 points. Oregon had little trouble rolling up an overwhelming victory over the hapless Pilots.

Duck Paddlers Drill For Conference Opener

By ED ARTZT

With the first Northern Division swimming meet scheduled against the Oregon State Beavers, January 19, Coach Ray Kireilis has placed his fleet crew of paddlers under a rigorous training schedule. The varsity boys should be in tip-top shape by the big day.

Holcomb Returns

Kireilis will hold practice sessions for his divers Tuesday nights, in addition to a carefully planned daily routine. The addition of football ace, Benny Holcomb, to the roster of springboard men will strengthen the Webfoot divers.

Workouts for 50, 100, and 220 yard sprint men include a non-stop 880 swim which must be completed inside of fifteen minutes, a 440-yard non-stop swim only using the kick, and ten full-speed 40-yard sprints, with accent on turns, every other day. Kireilis has his dis-

Intersquad Match

Plans have been made to keep up the training program over Christmas vacation. Another intrasquad meet may be held before the end of fall term.

Special training diets have been planned and mimeographed by Mentor Kireilis and will be issued to all members of the team. When questioned as to the progress of the varsity paddlers, Kireilis chuckled, "They ate too much turkey over Thanksgiving."

Basketball League Next for Men's IM

By WARD BEBB

Intramural volleyball is at an end, but with only a short lull the spotlight turns on "A" and "B" basketball and handball. Basketball season gets under way on Monday, January 12, according to present plans.

The league will be set up on a round-robin basis. Living groups and independents entering only one team will be placed in the "A" league.

According to 1947 rules upper-division players cannot see action in the "B" circuit, but so far not enough players have been turned

in to organize a "B" league. A "B" tournament is expected to take shape by playing time, however.

All entry blanks are to be turned in to the IM office not later than January 6.

Participants playing handball will play on an elimination basis with two singles and one doubles making a team. Athletic managers are asked to turn entry blanks into the IM office or Jim Vitti immediately.

The "new look" is not new. It is merely a reversion of taste to the 18th century styles.
