EMERALD BUSINESS STAFF MEETING TONIGHT

OPEN TO ALL INTERESTED STUDENTS

7:30 P.M., 105 JOURNALISM

A chance for practical experience in advertising and business; a chance to make valuable contacts with stores and businesses in Eugene—these and many other opportunities await you on the business staff of the Emerald, your campus daily. If you're interested in advertising copy-writing, layout, soliciting, or business management, the Emerald is the place to go. The business staff needs willing, competent students with or without previous experience.

A meeting tonight at 7:30 in Room 105 Journalism will acquaint newcomers with the organization of the Emerald and explain positions and responsibilities. A sign-up will be taken for those who can give as little as an hour a week for staff duties.

Don't miss tonight's meeting if you're looking for an activity with a future—one that offers a chance for practical work in interesting fields.
