Nursery Open for Students' Children **Prospects Listed** Children of University students taking advantage of this service. | part in the nursery school pro-

and faculty are now being cared for at a day nursery. Open from 9 a.m. to 12 each week day, the nursery is sponsored by the YWCA service committee and is located at the Fairmont Presbyterian church.

Student helpers and a mother are always in attendance with a doctor and nurses on call. Approxmately 30 University families are

GI Home Loans On Up-Swing

Large gains in construction of new homes with the aid of G.I. loans are in prospect for 1948 in Extends Invitation Oregon, Donald C. Schworer, veterans administration contact rep- an opportunity to do something Ross To Speak resentative in this area, said today.

During December, the VA's regional office in Portland received women's athletic association, is live times as many applications for loan guarantees on dwellings yet to be built as in any prior month of the year, Schworer explained

Although FHA has resumed its Title VI program, the VA expects and wear comfortable clothes and the G.I. loan business of the state's lending firms to show a sustained ncrease over last year, he added. During 1947, the VA approved 4750 G.I. loans for Oregon veterans, more than four out of every five on old or new homes. These health services announced they

DUS.

The church has donated without charge all its facilities for the

> school. A transportaion pool has been arranged by residents of Amazon Flats for their children.

The school, with its medical assistants, first aid supplies, and required immupnizations, has been approved by the state board of health.

Miss Mary Roome, junior in psychology, has charge of scheduling student helpers. Miss Marilu Hooper, freshman in liberal arts, secured the nurses who have donated their services to the school.

On Architecture

The blending of Spanish colonial architecture with the Indian traditional style of Ecuador, Peru and Bolivia during the sixteenth, seventeenth and eighteenth centuries will be discussed by Marion Dean Ross Thursday at 8 p.m. in 207 Chapman hall.

Ross, assistant professor of architectural history, has entitled, this first lecture of the winter term series, "Colonial Architecture on the West Coast of South America."

Ross, who has traveled extensively in Europe, Central and South America received the Langley fellowship in 1941 from the American Institute of Architects, which he used to further his architectural studies in South American countries.

organization, and finances. The award took place at a convention of house chapters at Chicago, Ill. Harry Glickman represented the University of Oregon chapter.

The Oregon fraternity received nore points in winning this cup than any previous winner, according to Al Popick, president.

If the cup is won by any chapter three years in succession, the chapter may retain possession of it. Only the Sigma Iota chapter at the University of Michigan has succeeded in this, Popick said.

Andrew Jackson was the first president to invoke the pocket veto.
