

Frosh Commission Assigned To Countries For Festival

Each YWCA freshman commission has been assigned a definite country to represent in the forthcoming Intramural Festival, February 27 and 28.

Festival chairman, Laura Olson and Dedo Misley, have announced "Spring Festivals" as the theme. Last year the freshmen enacted weddings in various countries.

Countries to be represented included Scotland, Spain, Switzerland, and the United States.

The immediate topic under discussion at commission meetings, is

proper dating conduct. Members are attempting to find how men like girls to look and act on dates.

Members of leader Jean Lichty's Monday commission are now preparing entertainment which will be available for campus functions.

Commission leader Beth Basler is urging all commission members to continue their attendance in winter term. Sophomore members of the YMCA cabinet are chosen from active members of the freshman commissions, according to Bjorg Hansen, YWCA president.

Frosh Nominees Speak Tonight

Candidates for freshman class offices will speak tomorrow night in Gerlinger annex at 6:30 at the nominating assembly of the class of '51. Offices of president, vice-president, secretary, and treasurer will be filled at the election set for Tuesday, according to Howard Lemons, ASUO vice-president and director of the elections.

Nomination speeches will be limited to three minutes, allowing each candidate five minutes in which to state his platform and aims.

All freshmen who have completed one term at the University and earned no more than 24 credit hours are eligible for nomination, providing they have filed petitions.

Polls are to be open from 8 a.m. to 6 p.m. Tuesday, at which all registered freshmen may vote.
