ANNE CASE

At 12 She Hears for First Time

Joyce Ann Berger really doesn't know what's being said on the telephone, for until recently the 12-year-old girl had never heard a human voice. Now she's winning the fight against lifelong deafness. Last summer she went on a power-dive plane ride, heard the scream of the propeller and engine. Then followed radium treatments. Now she's got to learn the language.

**YOU CAN BECOME
A MEMBER OF THE
CITIZEN MARINES**

Yes, now the Citizen Marine Corps (Reserve) is opening its membership to young men between the age of 17 and 32, both veterans and non-veterans. This organization is the civilian branch of the famous U. S. Marines whose accomplishments and proud traditions are written in history.

If you wish, you may receive the well-known Marine training under competent instructors; obtain high school and college credits, or training in a trade. You are invited to engage in sports, recreation, parties and

dances. You may even be paid to visit Virginia, Southern California or North Carolina with other young men from your community during the summer.

It is possible to earn from \$157 to \$350 per year in your spare time, depending on your rank (reservists receive promotions!). All this, and you're still a civilian!

So, if you want to share the prestige and tradition of the finest, phone or visit your local Marine Reserve Headquarters. There is a spot for you.
